Additional section leaders for the fall drive of the Tri-Cities Area United Fund were announced today by two chairmen of campaign divisions.

Mitchell B. Milonski, chairman of the Industrial Employees Division, appointed Charles W. Moerlien as chairman of the Transportation Employees' Section.

Moerlien served in this capacity last fall, and is employed by the Norfolk & Western Railroad. He is a First Ward alderman.

Milonski also announced that Edwin F. Reiske will cover the Labor Forces section, which includes gifts from labor officials and union treasury gifts.

Reiske is president of the Tri-City Trade Union Labor Council.

Cities, Trades and Labor Council, a member of the board of directors of the United Fund and several participating agencies. He has served as chairman of the Labor Groups section for four previous drives.

George W. Reeves, Commercial Division chairman, today announced the appointment of co-chairmen for barber and

beauty shops, the solicitation to be organized by Mrs. Nina Bigley and Mrs. Betty Wall.

Reeves also said that Charles Meyer with Steele-Kunemann agency will head the section which includes wholesale and miscellaneous commercial firms.

Mrs. Bigley, formerly secretary of the United Fund board of directors, has assisted in the beauty shops section in two pre-

Meyer served as secretary of the United Fund board of directors in 1963 and 1964, and has worked in the Utilities, Commercial and Special Gifts Division in past years.

The drive for 1966 will open in October 1965 for a goal to be determined by the board of directors.

**Orville Deltour New Building Inspector**

Oryville, P. Deltour, 2601 East 25th street, a lifelong resident of Quad-Cities, was appointed city building inspector by Mayor Donald Partney at Monday night's council meeting. Deltour will assume the post June 1, succeeding Earl Bloomquist.

Deltour has been in the commercial and residential construction field for 35 years.

With his son, Roger, he now operates the Tri-City Glass Co. at 4500 Wabash avenue which the two of them established in 1950. He plans to turn the business over to his son to devote full time to the building inspection post, which has a salary of \$665-a-month plus a \$60 monthly auto allowance.

Deltour is a former member of the Nameoki town board and a former member of the Nameoki school board.

Mr. Stewart, who leaves his wife, the former Hannah Catherine Paulet of Granite City, moved from the area about 3 years ago.

Displeased council members rejected all bids opened Monday night for the sale of 12 fifty-foot lots in the city-owned block bounded by Poplar, St. Louis, Cedar and Oak streets.

The bids ranged from \$305 \$1102 for individual lots, and was pointed out the lots that had been purchased after world war II for a veterans' quarter hut housing project had been appraised at about \$1000 each. There was no indication whether new bids would be sought. The council had premature

old on corner lot at the May 17 session when a \$1101.50 bid for the lot at St. Louis and Poplar streets was opened and accepted. It was submitted by Mrs. Irene Hegedus, 601 Niederlinghaus avenue, whose present home may be relocated because of the new River Front Roadway that will skirt the Army Depot along Cedar street.

Opening of the Hegedus bid in advance of the May 24 death was requested by Aldermen Walter Nonn. He and other council members said they were under the impression there was only one bid and mistake was thought May 17 was the date.

Among the bids rejected was one for the same lot in amount of \$1102, submitted by Samuel Avedisian, 2464 10th street, who also submitted bids of \$305 for each of the 11 other lots. The status of the bid opened May 17 has not been determined by city officials.

Other bidders submitting proposals for all 12 lots were Marion Marcus, 3217 Wilshire drive, whose bids ranged from \$429 to \$550, and Joe H. Mitchell, 2302 Benton street, whose bids ranged from \$400 to \$350. A single bid for one lot in the amount of \$351 was submitted by Richard Woods, 1860 Poplar street.

Alderman Rutledge, who opened

Prospective candidates for the 1965 Miss Granite City crown were entertained with a "get-acquainted party" Tuesday evening in the YMCA. The affair was given jointly by the Granite City Jaycees and the Pepsi-Cola Bottling Co. of Alton, cosponsors of the local beauty-talent pageant, which is set for June 19 at Granite City high school auditorium.

Entries have been received

from the probable contestants it was announced by Robert Schofield, pageant chairman. Additional nominations will be accepted from local business firms and individuals up to next Thursday, when candidates will hold their initial rehearsal at 7:30 p.m. in the YMCA. Those interested may call Darrel Crews, entries chairman, at TR 5-4690, Schofield said.

Among the candidates whose names have been submitted, are Virginia Heaton, daughter of Mrs. Pearl Heaton, 2118 Lee avenue; Joy Morris, daughter of Mr. and Mrs. Jack Morris, 252 Washington avenue; Sharon Applegate, daughter of Mr. and Mrs. George Applegate, 192 Benton street; Karen Shelton, daughter of Mr. and Mrs. Wilbur Shelton, 2435 Edison avenue. Lynne Ann Boswell, daughter

of Mr. and Mrs. Charles Boswell, 4764 Warnock avenue; Donna Willaredt, daughter of Mr. and Mrs. William Willaredt, 20 Oak Lawn drive; Elaine Starling, daughter of Mr. and Mrs. Melvin J. Starling, 2825 Ralph street; Mary Lee Lewis, daughter of Mr. and Mrs. Earl R. Lewis, 1300 Twenty-seventh street; Rita Rensing, daughter of Mrs. Esther Rensing, 2464 Klarnarney drive; and Miss Sharon Kunнемann, daughter of Mr. and Mrs. Fred L. Kunнемann.

Contestants must be unmarried, a high school graduate and between the ages of 18 and 28 years on Sept. 6, 1965. They must be of good character and possess poise, personality, intelligence, charm and beauty. Each contestant is required to display a talent in a routine not to exceed

Selection of Miss Granite City is decided by points accumulated in three categories—best appearance in an evening gown, 25%; best appearance in a one-piece swimming suit, 25%; and her talent presentation, 50%.

This year's pageant will be preceded with a convertible parade June 18 and a judges' tea at 1 p.m. the day of the contest. During the tea, those in charge

of selecting the winner will conduct informal interviews with the contestants as part of the judging technique.

Those who attended Tuesday's party heard comments by Mrs. Phyllis Crews, a former Miss Granite City contestant, who serving as talent consultant, and Morris Miles, Pepsi-Cola representative, whose firm again will provide a scholarship award to the local winner.

Miss Granite City will advance to the state contest in mid-July at Quincy, with the successful state titlist to compete in the Miss America contest in Atlantic City, N. J.

Other Jaycee members who are assisting in the project are Paul Morris, Dr. John Reel, Michael Day and Earl Dotzauer.

CUTTING OUT A DRESS was the topic of the day for these public aid recipients, gathered around table, at the second of a series of five sewing classes being conducted this week by Miss Esther Sieman, clothing specialist from the University of Illinois, seated at table in the recreation hall in Venice. The classes are part of the Institute

for Family Living established by Madison County Public Aid. In this class Miss Sieman was assisted by Irene Dawes, Kathryn Arnold and Genevieve Hill, all of Granite City, and Evelyn Harris of Edwardsville, all members of Madison County Home Economics Extension. In future classes Miss Sieman will instruct the ladies on constructing the garments.

## Girl Scout Washington Trip to Become Reality

A trip to Washington, D.C. that has been in the planning for nearly two years will become a reality for 28 Girl Scouts of Troop 224 and 290 when they will leave by bus from the Nankook school parking lot Saturday morning, June 5, for an eight-day trip. Four days driving time will be required with four days spent on sight-seeing tours.

The girls have been making plans since the fall of 1963, writing letters to various places in Washington. Through the Tri-Cities and Washington Chambers of Commerce they have worked out a schedule of the most important sites to visit. The group will be accompanied by two adult advisors from each troop and will stay in the Dodge House while in Washington. Each girl raised \$100 to make the trip—creating a fund of \$2,800—selling candy, nuts and other articles. Four of the girls will act as log writers during the trip to maintain a complete record of the activities and the places visited. The log writers are Marilyn Sues and Barbara Love from Senior Girl Scout Troop 280, and Sondra Brister and Barbara Barton from Troop 224.

Each girl will make the trip from Troop 280 include Barbara Brown, Sandra Brown, Tina Bywater, Sheila Coggins, Brenda Daves, Marie Greve, Nancy Herman, Sharon Koch, Barbara Love, Christine Louis, Karen Maas, Kathy McCall, Betty Moser, Marilyn Sues, Cindy Tramm and Sharon Wagoner and Mrs. Cecil McCall and Mrs. Harold Brown, advisors.

From Troop 224 are Lauren Stegle, Marilyn Bondegar, Merle Willis, Deanna Harlow, Janet Line, Kathy McDonald, Barbara Britton, Marie Burgess, Sondra Brister, Nancy Boness, Debbie Slay, Jo Ann Ellberg, and Mrs. Edward Stegle and Mrs. Stephen Line, advisors. Among places the girls plan to visit are the Bureau of Engraving and Printing, Arlington Cemetery and the Tomb of the Unknown Soldier, President Kennedy's Grave and the Marine Corps War Memorial of Iwo Jima, and on the first day in Washington, June 7, will have lunch in the Pentagon building.

## GC Legion and Sons To March in Parade

Tri-City Post 113 of the American Legion planned to participate in the Memorial Day parade to be held Sunday by Venice-Madison Post 307 during a meeting Tuesday night. Members are to report to their post home at 12:30 p.m. The parade assemblies at 1 p.m. in Madison. Sons of the Legion also will march. Russell Birks chairman, announced. Birks and Frank Teth were named chairmen to place flags on graves of veterans on Friday, and those wishing to assist may contact either.

Edgar Horton, senior vice-commander, reported on the post's overlying ceremony to be conducted here on June 16. Harold Summers, finance officer, presented a check for 100% membership to Commander Joseph Summers and 100% pins to the commander and his son, who was membership chairman. Arthur Probert, Jr. Fabian and Frank Teth were appointed to a committee to nominate new officers. Delegates elected to the 22nd district convention to be held June 5 and 6 at Alton were Commander Summers, Horton and Wilbert Niepert, junior vice-commander. Alternates named were Don Short, Fabian and Birks. Niepert reported on the post's Saturday barbecues and asked members to assist on Saturday afternoons.

Of every ten veterans now living, eight will survive until 1980, four will be alive in the year 2000, and one will still be living in 2015, the Veterans Administration estimates. At the end of this century one of three world war II veterans now living will still be alive; and three out of four Korean Conflict veterans will still be living, the VA estimates.

## GC Legion and Sons To March in Parade

Tri-City Post 113 of the American Legion planned to participate in the Memorial Day parade to be held Sunday by Venice-Madison Post 307 during a meeting Tuesday night. Members are to report to their post home at 12:30 p.m. The parade assemblies at 1 p.m. in Madison. Sons of the Legion also will march. Russell Birks chairman, announced. Birks and Frank Teth were named chairmen to place flags on graves of veterans on Friday, and those wishing to assist may contact either.

Edgar Horton, senior vice-commander, reported on the post's overlying ceremony to be conducted here on June 16. Harold Summers, finance officer, presented a check for 100% membership to Commander Joseph Summers and 100% pins to the commander and his son, who was membership chairman. Arthur Probert, Jr. Fabian and Frank Teth were appointed to a committee to nominate new officers. Delegates elected to the 22nd district convention to be held June 5 and 6 at Alton were Commander Summers, Horton and Wilbert Niepert, junior vice-commander. Alternates named were Don Short, Fabian and Birks. Niepert reported on the post's Saturday barbecues and asked members to assist on Saturday afternoons.

Of every ten veterans now living, eight will survive until 1980, four will be alive in the year 2000, and one will still be living in 2015, the Veterans Administration estimates. At the end of this century one of three world war II veterans now living will still be alive; and three out of four Korean Conflict veterans will still be living, the VA estimates.

## Rotary Club Hears Details Of Public Aid in Illinois

Details of the Illinois Public Aid program and its monthly expenditure of \$23,775,000 to 418,000 individuals were outlined by Louis J. Manance, director of the St. Clair County, Illinois Department of Public Aid, who addressed the Granite City Rotary Club at the YMCA on Tuesday afternoon. He said 268,000 of those receiving public aid are residents of Cook County. At the present time, Manance said, fully 10% of the state's population receives public aid funds in one of several forms. They include the dependent children, blind and old age funds and through general assistance and medical indigent programs administered by township supervisors. He said the total of those receiving old age support has dropped from 55,000 in 1944 to 20,000 today. Even so, he added, the cost of the old age program alone has tripled within the 20-year period. The Manance emphasized that all phases of the public aid program are continually being up-dated in an attempt to enable aid recipients to help themselves. Within the past two years, he said, additional high school seniors.

### Girl, 17, Reports

### Attack Near Canal

### GC Man Arrested

A Granite City girl, 17, told authorities she was beaten and raped Monday night on Chouteau Slough road, and her alleged attacker was arrested a short time later following an auto chase along Nidriehaus avenue by sheriff's patrol.

Charged with rape Tuesday was Marvin Devore, 26, of 2635 West 22nd street, in a complaint signed by John Giltchoff, assistant state's attorney, and issued by Magistrate William Johnson.

Devore, a cranesman at General Steel Industries, refused to give preliminary hearing, which was set for June 1st, and he was held in the Madison county jail in lieu of \$15,000 property bond set by the magistrate. Evidence in the case was presented to the county grand jury Tuesday afternoon.

The girl told authorities the attack occurred about a half-mile south of the Chain of Rocks canal bridge where she was left in a state of unconsciousness. She said that when she recovered, she walked to a nearby house for help, and Granite City police were called. The message to the Madison county sheriff's department at 10:10 p.m.

**Gold Car Spotted**  
Enroute to St. Elizabeth Hospital, she spotted a gold colored late model car like the one used by her attacker and the chase started, deputies reported. Authorities said it ended at 22nd street, where the car was stopped and Devore was taken into custody.

The victim, who identified Devore Monday night, told authorities she had left a girl friend's house and was at West 23rd street and Ohio avenue when a gold colored car pulled up and two men jumped out. In a statement, she said the other man left and told his companion, "Marvin, I don't want to go with this. I don't believe in this."

She said she fought and screamed but was forced into the car, and that at the scene of the attack, she was beaten and choked, and her clothes were torn.

She was released from St. Elizabeth Hospital following treatment. Devore refused to make a statement, authorities said.

allows through annexation, are to be at the rate of 90 cents per ton. The firm is to carry liability insurance and is to pay a \$10,000 performance bond. It agrees to begin the service within 60 days of award of the contract.

Debate on the contract was short. Several aldermen said they preferred rejection of the bid and advertising for new ones since the present contractor, who did not bid, had submitted an attractive offer of \$102,500 a year instead of the present \$147,500 and offered twice-a-week service in the summer, along with a landfill site.

The move for suspension of bids and final approval of the contract resolution failed to carry although Mayor Partney added his "aye" vote. The resolution was defeated by a vote of 10-10, with Alderman Rutledge, Whitmer, Boyd, Dallas, Moelling, Sternberg, Thompson, Fry, Parmlay and Green. Opposing it were Nimm, Barschick, Bartosick, Johnson, Robertson and Paulos.

## Niedringhaus PTA Elects Mrs. Fleishman As President

Officers for the coming season were elected and installed Tuesday evening at a meeting of the Niedringhaus school PTA.

The staff will include Mrs. Arnold Fleishman, president; Mrs. Thomas McTavens, Mrs. John Adams and Mrs. James Craig, first, second and third vice-presidents; Mrs. Richard Elders, treasurer; and Mrs. Lawrence Lockhart, secretary.

Miss Claudine Coulter, the first president and founder of the school PTA, installed the incoming officers and was given a standing ovation in honor of her many years of dedicated service to teaching and administration at the school. She will be honored at a PTA appreciation luncheon to be held at the Rose Bowl June 3 on her retirement from the faculty.

The retiring president, Jack Thomas, called the meeting to order and during the business hour a picnic report was given by Mrs. Clarence Harmon. The picnic is being held today at Wilson Park. In case of rain it will take place Friday on the blacktop playground at the school.

The candy awards were presented to Mrs. Gwendolyn Berry's room, first place, \$10; George Amisich's room, second place, \$5; and Edward Botnam's room, third place, \$3. Mrs. Laurine Reiskes' room, in fourth place, received honorable mention. Awards were also made in the kindergarten division. The individual rooms sold candy to raise funds for the picnic.

Mrs. Fleishman reported on the school PTA's activities and was given a standing ovation in honor of her many years of dedicated service to teaching and administration at the school. She will be honored at a PTA appreciation luncheon to be held at the Rose Bowl June 3 on her retirement from the faculty.

The retiring president, Jack Thomas, called the meeting to order and during the business hour a picnic report was given by Mrs. Clarence Harmon. The picnic is being held today at Wilson Park. In case of rain it will take place Friday on the blacktop playground at the school.

MRS. ROBERT L. LANDRETH, the former Joyce Parsley, a daughter of Mrs. Irene Parsley, 1939 Third street, Madison, and the late James A. Parsley, who was married Sunday at the Pontoon Beach Church of Christ.

## Showers Honors Bride-to-be

Mrs. Betty Walton and Miss Glenda Moore were co-hostesses Monday evening at a surprise bridal shower in the Walton home in Rosewood Heights honoring Irene Feldman, 2104 Washington avenue, who will be married July 3 to Nick Arza.

Decorations of pink and white were used and the gift table was adorned with an arrangement of spring flowers. Favors were small ring boxes.

Refreshments were served and prizes were awarded to Ruth Dowditch, Alay Richards, Amanda Coleman, Della Allen, Loreta Lockhart, Evelyn Glick, Patricia Arza, Margaret Loiz and Marcelle Griffin. Others present were Rose Beasley, Evelyn Smith, Sharon Blatz, Susie Fowler, Alma Geff, Lucille Stafford, Helen Stockton, Vase Taylor, Jo Pierce, Anne Marie Crouch, Candy Parnley, Helen Jones, Mabel Kilmer, Virginia Coleman, Arlene Zarzua, Virginia Frey, Maxine Jones, Lois Jones, Jackie Hatt, Kay Boyd, Rose Bruemmer, Perry Frazier, Doane Nief, Zula Rawlins, Evelyn Giedemann and Barbara Feldman.

## Make It With Wool Contest Set

Mrs. Clara Schilling, chairman of the local Farm Bureau Women's committee, has announced that the Bureau is sponsoring a "make-it-with-wool" contest locally for the third consecutive year.

The contest, which will continue until the fall, is open to three age groups, Junior, 14-16; Senior, 17-21; and Adult 22 and over. Garments must be made from American wool and the fabric may contain 5% of another fiber or fur. Mrs. Schilling said.

A dessert course was served to about 25 members from tables decorated with spring flowers and favors of miniature potted plants.

Mrs. Olivia Lehman served as chairman of the party, and appropriate reading were given by Mrs. Leola Arlrogast and Mrs. Patty Walker.

By the year 2000, three of every five veterans in Illinois will be over 65. The contest for the life will be world war II veterans and the other two will be Junior and Senior divisions will compete in a national contest.

## City Officials Attend Luncheon

Seventy-eight persons, including city officials and other guests, attended the pot luck luncheon and meeting of Kirkpatrick Homes Golden Circle Club Wednesday.

Rev. W. L. Shewers, retired pastor of Second Baptist Church, gave the invocation and a plaque was presented to Mayor Donald Partney an honorary member, by David Morgan, housing director. Other city officials present were Aldermen Gerald Parnley, E. R. Rich, city treasurer; Harold Pendleton, city clerk; and Milton Allen, assistant township supervisor.

Mrs. Oma Irie and Mrs. Dorothy Kowak were other local people present and those from out of town were Mrs. Lena Bishop and son, and Wayne Kowale of San Diego, Calif.; Mrs. Neill Vriesman, Denver, Colo.; and Mr. and Mrs. Frank Castle of Peoria, Ill.

## Welcome Wagon Plans Picnic

The Welcome Wagon Club met Tuesday evening at the Granite City Trust & Savings Bank and made plans for a picnic at Wilson Park June 15.

Mrs. Mary Aromowitz was in charge of the program, assisted by Mrs. June Whitson and Mrs. Kuni Hughes, and prizes were won by Mrs. Madonna Swisher, Mrs. Donna Johnson, Mrs. Myrtle Hackney and Mrs. Maryanna Clark.

Refreshments were served to 15 members and two guests, Mrs. Betty McKnight and Mrs. Myrtle Hackney.

## Breeding Potential Of Rabbits Is Down

The winter carryover of rabbits in Illinois is lower over most of the state this year than it was in spring, 1963, according to Department of Conservation announced today. Breeding populations are lower from 10% to 30% lower on most census routes, except in northern Illinois where the spring population is about equal to that found in 1963.

Game technicians counted 30% fewer pheasants in January and February than were seen a year ago, an indication that this year's breeding population may be lower.

Data gathered by the department indicates that the number of pheasant hens per cock is slightly higher than in spring, 1963. Breeding populations of quail and quail are as high as last year, when they were considered to be good.

## More Than 20 Players Are Trying for Legion Berths

More than 20 players are working out with the American Legion Post 113 baseball team, according to manager Roy Achenbach. The roster must be pared to 16 boys by the June 10 opener at Collinsville.

Meanwhile the team is playing some practice games with one scheduled Saturday afternoon at Wilson Park against the Mercers of the Khoury Traveling League.

## Assumption's Flake Stops Maroons 1-0 In Sectional

Assumption of East St. Louis, winner of the Madison district and Granite City regional baseball tournaments, eliminated Belleville 1-0 Tuesday in the sectional at Stanton.

The "Pioneers" Glen Flake pitched a three-hitter against the Maroons. Assumption made Jacksonville in the final, bidding for a trip to the state finals at Peoria. The Pioneers have a 25-3 record.

Reservations may be made by calling the Chamber, TR 8-6400. Cost is \$7.50 per person.

## School Board Hires 6, But Eight Quit; 18 Jobs Open

Six new school teachers were employed by the Granite City school board Wednesday night, but eight others have resigned or quit, leaving 18 positions still open, according to Superintendent Russell D. Johnson.

In a report to board members, Johnson said that recent personnel changes have involved the removal of 13 persons to new assignments, two persons have died, and eleven have retired.

Resignations were received from Miss Gail Bassin, a new teacher who had been employed for the next school year and who had not yet been assigned to a teaching position; Mrs. Barbara Coleman, fifth grade teacher at Niedringhaus; Mrs. Janet Krause, third grade teacher at Mitchell; Mrs. Bertha Mason, third grade teacher at Frubardt; Charles H. Thies, art instructor at Central; Mrs. Harriett Ford, second grade teacher at Frubardt; Albert Ward, custodian at Maryville; and Gary Hart, industrial arts instructor at Coolidge.

New teachers employed by the board include Mrs. June E. Branding, 26, of 2808 Yale drive, two years experience, elementary music instructor; Arthur L. Eardley, New Douglas, Ill., 23, two years experience, mathematics, senior high school; Miss Carol Jean Schain, 22, of St. Louis, no experience, home economics at Central; Miss Linda Marie Vrablik, Niles, Ill., no experience, second grade at Nameoki school; Mrs. Nancy Conrad, 26, of 2724 Harvard avenue, five years experience.

## Investor's guide to U.S. Savings Bonds (FREE)

Are Series E Savings Bonds a good investment?

Yes. For several reasons, including some investment advantages unique to Bonds.

For instance, all Series E Savings Bonds carry a 10-year automatic extension privilege. Which means you can hold your Bonds past maturity and cash them when you're in a lower tax bracket—perhaps during retirement. (Or you can trade them in for Series H Bonds for retirement income.)

Also, Savings Bonds offer a guaranteed rate of interest. You have no concern about market fluctuation or a "right" time to buy.

Another thing. Bonds are exempt from state or local income taxes, and

federal income tax can be deferred until you cash your Bonds.

You'll find these and more eye-opening investment advantages of Series E Bonds explained fully in this free folder available from the Treasury Department. Use the coupon below to order a copy.

## New Bi-State Bus Passes on Sale Friday

The new weekly transit pass will go on sale tomorrow on all buses and streets of Bi-State Transit System, it has been announced by Transit Services Corp., managers of the system. The pass will be good from Monday, May 31, through Sunday, June 6. In addition to Friday sales, the pass also will be available on Saturday and on Tuesday. The Tuesday pass will be good from Tuesday through the first week's pass is because of the holiday on Monday. For subsequent weeks, pass sales on the buses will be Friday, Saturday and Monday. The cost of the initial weekly pass will be \$3.00, instead of the regular \$3.50, as a special introductory offer, and also because the current monthly pass will still be good on Monday, May 31. Monthly passes are being discontinued with the introduction of the new weekly pass. Weekly passes will not be available for purchase at the numerous outlets throughout the area where monthly passes were formerly offered for sale. Because of the convenience of purchase on the buses, it is believed that there would be little or no demand for sale at these firms. Other fare changes that will take place on Monday, May 31, are as follows: 1. The basic adult cash fare will be 10 cents, instead of the present 25 cents, within a new enlarged Central fare area, but all present transfer charges and bridge tolls will be eliminated. 2. The Central fare area will include the entire region between Granite City, East St. Louis and Edgemoor on the east and the St. Louis outer city limits on the west. The 30-cent fare will be good within this entire area without additional transfer charges or bridge tolls. 3. In the zone fare areas, the present basic cash fare of 25 cents will continue to be good for a two-zone ride. 4. There will be no change in the 25-cent cash fare for express Rapid and Park-Ride buses. Also, the new weekly pass will be good on express service without the additional payment formerly required of monthly pass-holders. Second, it will be easier to buy because it will be available on the buses. Third, it will require a smaller cash outlay than the former monthly pass and, finally, the convenience of the pass as compared with cash will make it much easier for everybody concerned.

## Youngster Hurt at Ditch; Competitive Price Small Fence to be Put Up

Officials of the city and the levee district are undertaking a joint endeavor to prevent further injury to youngsters at the Levee area drainage ditch. Monday evening, a seven-year-old boy was injured seriously when his bicycle struck a concrete abutment at the rear of the 3100 block of Jill avenue, he was thrown against a curb. The boy, Hillary Keelin Jr., whose parents live at 3176 Jill avenue, was admitted to the hospital with a broken arm, head, multiple abrasions, swollen and bruised eyes and loose teeth. He was unconscious when admitted. His condition today is listed as good. Sixth Ward Alderman Gerald Parnley said at least two youngsters have been injured seriously at the same place along the ditch in the past several months, and he called upon levee district officials yesterday to remedy the situation. Trustee Joseph Grant and Supt. Ernest Brown agreed to erect at the culvert site. However, they asked the city for cooperation in advising residents along the ditch they are trespassing when they go into the ditch or permit their children to play along the access roadway which is listed as good.

Madison county sheriff's department has much fewer personnel at less pay with far less equipment to work with than counties of comparable size in the state of Illinois, according to the survey made by Sheriff Barney Fraumour. Madison county, with a population of 250,000, has 12 deputies at a top pay of \$425 per month and four patrol cars. The survey shows Kane county, with a population of 208,546, has 29 deputies at a top pay of \$530 and 12 patrol cars. Lake county, population 230,446, has 53 deputies, 22 patrol cars, Winnebago county, population 208,765, has 34 deputies, 19 patrol cars, and 23 cars. Madison county has eight process servers, who use sheriff's cars, and 10 jail personnel. The other counties surveyed have between 20 and 30 jail personnel and a varying number of process servers. Demands for increased police protection in unincorporated areas of the county were sounded at the meeting of the county board of supervisors last week after a member of the board was severely beaten and robbed. His assailants were captured in Missouri and are in custody in the county jail.

**Wilson Park Pool To Close One Day**  
Wilson Park swimming pool will be closed Tuesday for the reason for the summer season Wednesday, the park board decided last night. The pool will be open from 1 to 9 p.m. Saturday, Sunday and Monday over the Memorial Day weekend. Then the pool will close Tuesday, the last full day of school. Normally, the pool schedule dictates the pool be closed several days between Memorial Day and the last regular day of classes.

## Cerebral Palsy Campaign Extended Through June 5

The Madison County United Cerebral Palsy campaign was extended through the first week of June here today as contributions fell short of the expected \$600 goal which the organization needs to continue its program in the coming year. Only \$38 has been contributed thus far. In making this announcement, Mrs. Janette Garrison of Granite City, chairman of the campaign, said that campaign chairman has pledged themselves to continue their efforts since the alternative would be curtailment of services to the cerebral palsy victims in this community. Mrs. Garrison said that volunteers are still being recruited now for the community-wide house-to-house appeal designed to give citizens an opportunity to support the organization's work on behalf of those afflicted with cerebral palsy. In urging more men and women to volunteer their time, the United Cerebral Palsy official pointed out that they would be helping those who literally could not help themselves without some outside assistance and this is its own gratifying reward. Dr. Hector Zevallos, of Granite City, medical director for Madison County Branch of Cerebral Palsy estimated that there are 1000 victims of cerebral palsy in this county alone and that funds are needed to provide treatment and training for them as well as to press the nationwide research effort seeking the causes and possible prevention of the crippling condition. Mrs. Garrison appealed to persons who were not at home when the UCP volunteers called to their gift in the self-addressed envelopes left at their door. All gifts should be mailed to: United Cerebral Palsy, Madison County, 2414 Grand avenue, Granite City.

## Madison Rotary to Send 2 Youths to Camp

Madison Rotary Club voted yesterday to finance a two-week session for two handicapped children at a summer camp operated by the Madison County Easter Seal Society and to continue to sponsor a boys' baseball team in the Madison Venue Knobby League. Action on the proposals was taken at a weekly luncheon meeting, attended by 28 and held at the Madison for the county, Seventh street and Lee avenue. A guest at the luncheon was Gerald Amhart of Duquoin, whose home club has a highly-regarded, state attendance record. Club members agreed to join with Granite City Rotarians in purchasing a traveling trophy to be presented at an annual golf tournament. The initial contest between the two clubs is scheduled for 1 p.m. June 9, at the Arlington Golf Course. Also authorized was a contribution toward the purchase of an electric grille for the Memorial center. Similar donations will be made by the Madison Lions Club and city officials, it was announced. Wayne Scannell reported reservations are now being accepted for the club's installation and 40th anniversary banquet, on June 16, at the Lewis & Clark restaurant, East St. Mennie Friedman, a long-time club member, will be honored. The program was presented a resume of club events which took place in the early 1950s and described his attendance at the various activities prior to that time.

### TROOP 221 PLANS COURT OF HONOR

Junior Girl Scout Troop 221 met Tuesday evening with Mrs. Ethel Gettleman.

The meeting opened with a song and the girls discussed a "court of honor" to be held next week. They made invitations for their mothers, worked on handicraft and closed with a song.

Refreshments were served to Sandy Deatherage, Judy Meyer, Vickie Paterson, Charlene Kennedy, Sally Gettleman, Susan Paschlage, Charlotte Pitts and Sharon Cook.

### RUMMAGE SALE PLANNED SATURDAY

The Ladies Auxiliary of the Long Lake fire department held a special meeting Tuesday night.

President Edna Barton was in charge. Final plans were made for a rummage sale to be held Saturday at the Long Lake firemen's recreation hall.

Those present were Mesdames Priscilla Young, Ethel Gettleman, Frances Harper, Pat McNew, Jo Ann Mikolazuk, Edna Barton, Lucille Sobczak, Caroline Andersen, Mary Lou Paterson and Mabel Kennedy.

Junior Girl Scout Troop 222 met Tuesday evening with Mrs. Margaret Duncan for the final meeting of the year.

A short business session was held. The girls planned a picnic for June 15 at Cahokia Mounds and closed with a friendship circle.

Those present were Winona Rodgers, Carla Spankile, Nancy Becker, Glenda Phelps, Cindy Arnold, Sandy Jones, Nancy Miller, Jennie Duncan, Mary Lou Deatherage, Elaine Carver and Barbara Hunt.

### SKITS FEATURED AT PACK 88 MEETING

Cub Pack 88 held its monthly meeting Monday evening at Stallings school.

The meeting opened with a flag ceremony, led by Bobby Miller. Cubmaster Raymond Newberry led the group in song.

Skits were presented by Don Four on "Historical Events of Granite City," Don One on "Litterbugs," and Don Two which parodied a "World Series Baseball Game."

An induction ceremony was held for Steve Jones, who received a bobcat pin. In an award ceremony, Steve Eker received a wolf badge and Ricky Paterson a bear badge and gold arrow.

Mrs. Thelma Dron led the group in song. The attendance award was won by Don One. Cubmaster Raymond Newberry announced the June pack meeting will be combined with a picnic.

The meeting closed with a living circle and they recited the Cub Scout promise.

### TROOP 23 MEETS

Boy Scout Troop 23 met Tuesday evening at the Long Lake firehall with Scoutmaster Ronnie Riker and Ed Nida, Mel Wheeler, Maurice Senior and Mike Alternaty. Plans were made for a work detail Saturday.

**3-Day Course Held**  
**On New Court Problems**

A three-day course on new court developments and problems was held in Holiday Inn, Edwardsville, Monday through Wednesday for lawyers, law enforcement personnel and court clerks.

The meetings, which included panel discussions each morning and afternoon with featured speakers at luncheon each, were arranged by Third Judicial Circuit judges, magistrates, clerks and the court staff.

Monday's sessions included discussion of matters assignable to magistrates, types of discovery proceedings and techniques, courtroom order, formality and decorum, small claims proceedings and court reporting and maintenance of the record.

Tuesday and Wednesday meetings covered such subjects as mental health cases, family and juvenile cases, and activities of the court staff before, during and after trial, and "law enforcement and the new courts," pertaining particularly to law enforcement officials.

Among those attending from here were Judges Schuman and Lewis who aided in the presentation of the material. Also present were Magistrate Hiscott and clerks, Mrs. Helen Homan, Mrs. Dorothy Meng, Mrs. Marilyn Stagner.

**County Young GOP**  
**Elects Officers**

The Madison County Federation of Young Republican Clubs met Tuesday with Donald Aldridge at his home in Alton to elect officers for the year.

Delegates were present from Granite City, Alton, Collinsville, and the following slate of permanent officers was selected: Robert Claus, Collinsville, chairman; Jerry Sewell, Alton, vice chairman; Joyce Glasgow, Granite City, secretary; and Harvey Cathey, Granite City, treasurer.

A constitution was adopted by the organization. The federation serves as coordinating body for the Madison County Young Republican Clubs and plans were made to hold quarterly meetings in February, May, August and November. Jerry Sewell was named to serve with Robert Claus on the membership committee.

Representing Granite City at the meeting were Joyce Glasgow and Harvey Cathey. Among others attending was Mrs. Bonnie Tyler, immediate past president of the Alton Young Republican Club.

**Disneyland Theme for**  
**Nameoki School Picnic**

The annual picnic of the Nameoki School will be held June 2 from 12:15 to 3 p.m. at Wilson Park, and a Disneyland Fantasy theme will be used. Instead of the usual games there will be entertainment by two St. Louisian actors, and a magician.

The mothers of the FFA will greet the group in costumes representing various Disneyland characters.

The entertainment will be at 1:15 and at 2:45. Prizes of transactions will be given away, to one boy and one girl.

Mrs. Lucretia Wright, who is serving as general chairman, has announced that free soda, hot dogs and ice cream will be served to the children. There will also be gum balloons and candy given to the children by the mothers.

**Auto Window Broken**  
Charles Crews, 2119a Bryan avenue, reported Wednesday that the window of his auto was knocked out with rocks while it was parked at the rear of a service station at 1460 State.

**Speeding Charge Filed**  
L. L. Thomas, 2033 Bryan avenue, was arrested Wednesday at 2900 Madison avenue on a speeding charge. A hearing is set for June 17.

**Venice Lions Club**  
**To Elect Treasurer**

A regular dinner meeting of the Venice Lions Club was held Monday evening at the Venice-Madison American Legion Home on Broadway, with 24 members present.

Donald Phillips, president, conducted the brief business session. A new treasurer will be elected to replace Philip Smith, who is now employed in Springfield, Ill. Nominations will be submitted at the next meeting.

All other business was tabled until the installation of new officers June 14, when the club will hold a barbecue at Lee Park.

think they are living in the county, but it will only be a matter of time until they become part of a community—either Pontoon Beach, Mitchell or Granite City."

He quoted tax figures based on a home assessed at \$15,000 in Granite City and in Nameoki township, and said that with all tax rates and added service charges included the township resident pays \$22 more per year than the Granite City resident.

His figures were challenged by several persons who pointed out that assessment ratios differed with Nameoki assessments at a

man, Mary Gloesick, and a guest, Mrs. Betty Rice and daughter, Helen Mary, of Edwardsville.

lower rate. Hoelscher said he had also computed tax bills on this basis and told the group that with all rates included it would cost the township resident only \$38 more per year to be located in Granite City, and that this would include tax on sewers and parks.

### Partney Speaks Briefly

Mayor Partney spoke only briefly, asking area residents to consider the proposal carefully and assuring them that all city services would be provided.

A committee was named, headed by Carl Macios, president of the Wilshire Manor Civic and Improvement association to follow all developments in the annexation proposal and make reports to residents of the area. Macios said the committee's duties will include reports on ordinances, referendum plans or any other move pertaining to the proposal.

Macios said that another meeting to discuss the proposal will be called in the near future, although no date has been set.

The committee includes Harry Hartman, Norville Thumure, Thomas Noeth and Joseph Blonicki from the Garbe addition and Earl Pape, Gerald Voorhees, Michael Ropac, Lela Hanks and Roger Bowler from Wilshire Manor. Other members from the Dream Villa development will be named later, Macios said.

In announcing the annexation last week, Mayor Partney said that "Granite City must grow to progress, and we can offer these new areas many services which they do not now have—adequate police protection, sewers, garbage and trash collection, a paid fire department and a full-time airport department."

Partney said at that time he anticipated strong opposition from Nameoki township officials, but that he believed individual families eventually would see the advantage of becoming a part of Granite City.

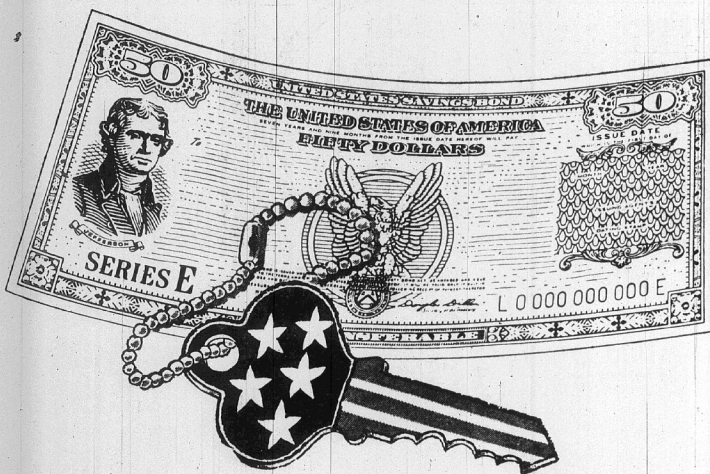

Success can't be met halfway—hustle and overtake it.

## New Pastor Named For Venice Methodist

Changes in pastoral appointments, including the Venice church, were announced this week at the 114th annual session of the Southern Illinois Conference of the Methodist Church by Bishop Lane Webb. The Conference is being held in Collinsville.

Rev. Dan Williams, an assistant pastor at Edwardsville, has been assigned to the Venice Methodist Church, taking the place of the Rev. Omer Jones, whose new assignment is Alma Pleasant Grove-Zion Church. The new appointments are effective June 1. All other Methodist ministers in this area will continue in their present pastorate.

The Conference opened Sunday and will continue until Friday. Ordination of clergy members will take place this evening.

## Star-spangled key to a home of your own

A key to your own home is a mighty nice thing. Especially if it has stars and stripes on it.

The way you get one is to save U. S. Savings Bonds for the down payment. Or if you're beyond that point, for furniture or appliances, or the other things inside a house that make it a home.

A nest egg in Bonds can go a long way towards providing a nest and its contents—because each Series E Bond pays back \$4 at maturity for every \$3 you save.

Another thing you'll get is a nice red, white and blue feeling. The kind you get by giving your country a financial hand while you're saving.

It's easy to start saving Bonds today. A call to your payroll department, or a visit to your bank will do it.

### Quick facts about Series E Savings Bonds

- ✓ You get back \$4 for every \$3 at maturity
- ✓ You can get your money when you need it
- ✓ Your Bonds are replaced free if lost, destroyed or stolen
- ✓ You can buy Bonds where you bank, or on the Payroll Savings Plan where you work

## New Director for SIU Job Corps Center

Resignation of Director James D. Turner and appointment of James W. Hughes as his successor headed a list of 67 personnel appointments and changes at the Breckinridge, Ky., Job Corps Training Center operated by Southern Illinois University.

The Breckinridge appointments were confirmed by the University board of trustees, meeting yesterday at the Quail Cities - Edwardsville Campus. Turner, who drafted the original proposal resulting in SIU's selection as contractor by the federal Office of Economic Opportunity, is leaving Aug. 15 to accept a position as vice-president for academic affairs at Humboldt State College, Arcata, Calif. Prior to assuming charge of the Job Corps Center he was a member of the SIU faculty as professor of higher education.

James W. Hughes, presently deputy director of the camp, was named director effective July 15. Formerly director of corrections for the Commonwealth of Kentucky, he received his bachelor and masters degrees in education at Temple University. He taught at Indiana and Kentucky universities.

The appointments list included 37 instructors and 18 training supervisors, two physicians and a dentist.

The center is scheduled to receive 88 young men each week through June, then 44 per week until the capacity of 2000 trainees is achieved. Plans call for basic education, work training and vocational skills. The center is located at Camp Breckinridge, Ky., a world war II army training center near Morganfield, Ky.

#### 5 Quad-Cityans to Get Degrees at Central College

Five Quad-City students are candidates for the bachelor's degree at Central Methodist College, Fayette, Mo. Degrees for more than 160 students will be conferred at the commencement exercises at 3 p.m. Sunday.

Miss Janet Shelton, daughter of Mr. and Mrs. Myrl Shelton, 2417 Edison avenue, will receive the Bachelor of Science degree in Education. Those to receive the Bachelor of Arts degree are: Virgil V. Kirksey, son of Mr. and Mrs. V. L. Kirksey, 2120 Waterman, avenue; David M. Rousseau, son of Mr. and Mrs. Louis Rousseau, 7 Terrace lane; Dennis Ashford, son of Mr. and Mrs. William Ashford, 1665 Second street, Madison; and Jerry Lee Blue, son of Mr. and Mrs. R. J. Blue, 300a Madison avenue, Madison.

An optimist is just an average man who sees things as they should be, not as they are.

#### Named by Diocese

### Jenkins to Continue Work For Park at Old Cemetery

William Jenkins, 2158 State street, assistant city inspector who is resigning June 1, has been authorized by the Springfield Diocese to serve on its behalf in working for the rehabilitation of the St. Mark's cemetery in East Granville.

As assistant city inspector, Jenkins led the move last year for the city to take over the cemetery and deed it to the park district for development as a quiet park.

He was notified this week by Rt. Rev. Msgr. William F. Haug of Springfield of his authorization to carry on with the project, Jenkins said yesterday he

has been in contact with the new city attorney, Richard Allen, for preparation of legal work in connection with the transfer of the cemetery site from the diocese to the city. Park District Atty. Randall Robertson also is assisting in the legal work.

Rt. Rev. Msgr. Haug praised Jenkins for his "diligent effort and hard work toward making the rehabilitation of St. Mark's Cemetery become a reality."

"Will you please accept this letter as our authorization for you to serve in behalf of the Springfield Diocese to bring the rehabilitation to a proper and

#### Bishop's Company To Give Play Here

Henrik Ibsen's "An Enemy of the People" will be presented at 8 p.m. Monday, June 14, at Nidringhaus Memorial Methodist Church, 20th street and Delmar avenue, by the Bishop's Company of Burbank, Calif.

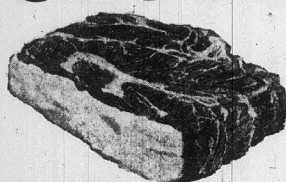

The play tells the story of a small Norwegian Village looking forward to prosperity because of the development of natural hot spring.

The company will appear under the sponsorship of the church with ticket sales under the direction of the Concor's Class. The drama will be of interdenominational, community interest.

successful conclusion for the benefit of the church and the city of Granite City."

## PRESBYTERIAN WOMEN MEET AT ABBOTT'S HOME

The Nameoki Presbyterian Evening Circle met Tuesday evening at the home of Mrs. Edith Abbott on Rural Route One.

Mrs. Fern Mitchell, circle chairman, opened the meeting with devotion. The lesson was presented by Mrs. Alvagast from the study book "Live As Free Men."

Mrs. Sylvia Cross read the Missionary Names of the Day and the Fellowship of the Least and offered prayers.

Mrs. Mitchell conducted the brief business session and announced the Association meeting for the Circle groups will be held on June 14 at which time the summer medical offering will be taken.

The hostess served refreshments to the above and to Mrs. Edith Abbott, Ben Eyle, Lou Eyle, Louise Thompson, Irma Taylor, Jean Lybarger and one guest, Mrs. Cora M. Bent.

Mrs. Bea Eyle invited the group to meet in her home, 8 Terrace Lane, on June 22.

The regular monthly meeting of the St. Elizabeth Altar Society was held Tuesday evening at the church with 47 members attending. The group decided to meet on the last Tuesday of each month instead of Wednesday.

Mrs. Ann Pare, president, opened the meeting with prayer and conducted the business meeting. Reports were submitted by committee chairman on coming events.

The president announced the annual school picnic will be held June 4 at Wilson Park from 12:30 until 4:30. All children must be accompanied by their parents or a responsible adult.

Other discussions were conducted on a visit to the Pink Sisters Convict in St. Louis, where they will be taken on a tour of the buildings and grounds and will attend a mass before returning home on June 28.

Tentative plans were made to attend the St. Louis Opera on Aug. 4 to see "High Button Shoes." Chairman for the trip will be Mrs. Helen Favier.

Games were played at the close of the meeting and the Madonna went to Mrs. Jo Uram. The Angel of the Month was awarded to Mrs. Ruth Malotki. Mrs. Demoulin's room won the attendance banner.

Refreshments were served by Mrs. Frances Jordan. She decorated the main table with the Blessed Mother statue as a centerpiece surrounded by fresh cut roses.

Lighted tapers were placed on either side to complement the table appointment.

Rev. John Franklin closed the meeting with prayer.

## EIGHTH BIRTHDAY OF KIMBERLY KALIPS

Kimberly Kalips celebrated her eighth birthday Monday afternoon with a party given by her parents Mr. and Mrs. Frank Kalips 3035 Jull Avenue.

Multi-colored balloons and streamers decorated the home, and the table centerpiece was a large Cinderella birthday cake decorated in pink and white.

Party games were played and prizes were awarded to the winners after which the honoree opened her gifts.

Refreshments were served by the hostess to Kathy King, Juene Fedora, Kathy Pasheda, Robyn Brewer, Kathy Garmet, Karol McGovern, and Frankie Kalips, brother of the honoree guest.

BRIDGE CLUB MEETS AT MEYER HOME

The weekly meeting of the Granite City Duplicate Bridge Club was held Monday at 2832 Club drive under the direction of Mrs. Sam Meyer.

First place honors went to Mrs. Elizabeth Tiller and Mrs. Donna Schafer; second place was a tie between Mrs. Margaret Lusk and Mrs. Caldwell.

Mrs. Helen Todd and Mrs. Helen Wyman; third place to Mrs. Betty Osterle and Mrs. Marie Huff.

The group will not meet next Monday because of the holiday but will resume meetings on June 7 which will also be master point day.

The St. Elizabeth evening group will meet at the Elks club on Sunday at 5:30.

RANDEE HARPER HONORED ON NINTH BIRTHDAY

Mr. and Mrs. Jerry Harper entertained friends of their daughter, Randee Sue, Sunday afternoon in honor of her ninth birthday. The affair was held in the Harper residence, 2569 Ivy lane, which was decorated in a multi-colored party theme. Each guest received a party favor.

Ice cream and cake were served and the guest list included Susan Kaleta, Karol Knackstedt, Debbie Melton, Kelly Twellman, Cyndi Davis, Ray J. Conner, Gwen and Cindy Cagle and Bobby and Danny Harper, brothers of the honoree guest. Assisting the hosts were Mrs. Nettie Cagle and Mrs. Paul Twellman.

## LATER IN THE EVENING MR. AND MRS. HARPER ENTERTAINED FRIENDS

and relatives who gathered for their daughter's birthday. Present were Mr. and Mrs. Melvin Kling, Mr. and Mrs. George H. Hildfield, Mrs. J. Whaling, Mrs. Florence Edwards, Mr. and Mrs. Paul Harris, Mr. and Mrs. Coy Vinsome, Mrs. Guskie Pierce, Mr. and Mrs. C. L. Avers, Clifton Avers, Mrs. Ellen Knackstedt, Mrs. Mary Ann San Soule, Mr. and Mrs. Nettie Cagle and David, Paul Twellman.

MRS. HANCOCK HOSTESS FOR METHODIST WOMEN

Mrs. Ruth Hancock was hostess Tuesday evening to the Every Member Busy Circle, a group of the Methodist Church. The group met in her home, 1 Frontera lane, for a monthly meeting.

Mrs. Mary Jo Hein opened the meeting with prayer and presented the program entitled "Young American Mother and Who is She."

In the absence of the chairman, Mrs. Irene Pierce conducted the business meeting. She announced the coming revival to be held at the church on June 6 through 13. Rev. Paul Sims of the Netherland Methodist Church will be the guest speaker and William Mann of Dallas, Tex., will lead the singing.

A pot-luck dinner and reception will be given at the church on Sunday at 5:30.

FLY-UP CEREMONY FOR BROWNIES

Brownie Girl Scout Troop 888, sponsored by Maryville school, PTA met Tuesday afternoon at the meeting, and the troop after a brief meeting joined five other troops sponsored by the PTA in the all-purpose room for the fly-up ceremony.

Twenty-eight Brownies participated in the ceremony and two were from Troop 888. They were Felicia Butler and Marie Rodde, who will in the fall join another troop of Junior scouts.

Following the above ceremony a dedication ceremony for all the scouts was held. Refreshments were served to the parents and other scouts present by the Junior Troops.

Miss Vera Parrish and Mrs. Nancy Mercer leaders of the troop announced this would be the final meeting for this year. They also reported on plans for a campout to be held on June 2 at the home of Mrs. Opal Davis for the girls in the ceremony.

Twenty-eight scouts participated in the program.

## Police Investigating Death of Bruised Boy

Granite City police are continuing an investigation into the death of Charles Joseph Mester, 28-month-old son of Mr. and Mrs. James Reeves, 944 Niedringhaus avenue, who died May 19 while undergoing surgery at Children's Hospital, St. Louis.

The child was badly bruised, and the parents told authorities the boy had fallen off a table at home. Police have questioned the parents, relatives and neighbors. John Gitchco, assistant state's attorney, said he is still awaiting a report on an autopsy conducted to determine the cause of death. He also said an inquest still is pending.

## School Board Buys Sewing Machines, Building Supplies

Purchase of ten new sewing machines for the senior high school and Coolidge and Prather junior high schools, and acceptance of low bids on typewriter repair work, workmen's compensation insurance, window glass, construction supplies, and air conditioning of the band room was voted by the Granite City school board last night.

The board acted on recommendations of Supt. Russell Johnson in granting contracts on the basis of low bids in all cases except that involving sewing machine purchases. The school district has been purchasing one brand of machine for six years without bidding under an agreement that provides a 4% discount from list price on new machines.

The board authorized purchase of four new machines for the senior high school, four machines and one stool for Coolidge, and two machines and two stools for Prather, at a total list price of \$3108, less \$1398 discount and \$101 trade-in allowance, for a net cost of \$1608.

The contract for workmen's compensation for the period July 1, 1965, through June 30, 1966, was awarded to the Francis Agency for Insurance, the American Employers Insurance

Co., on a low bid of \$9903. Two other bids were submitted, \$12,151 by the Holinger Agency and \$14,407 by William D. Morris of County Mutual.

Typewriter Repairs Bids Graham-Pierce Co. of East St. Louis was awarded the contract for repair of typewriters used in instruction on a bid price of \$6395 per unit. Other bids were received from the American Typewriter Co. at Belleville which offered \$12,850 per unit for all units of \$15 per unit on a brand new basis and the Illinois Office Equipment Co. of East St. Louis which bid \$11 per unit for all units. About 130 machines per year usually are repaired under the contract.

Contract for furnishing four separate lots of window glass was awarded to Pittsburgh Plate Glass Co. of St. Louis on the basis of low bids, but bids on two other lots could not be accepted because lack pickup of the glass necessary and no local bids were received. The remaining two lots will be offered for bidding again.

The board approved an offer by Triangle Heating Co. of Granite City for conditioning of the band room, a project that will be financed by parents of children in the band. The Triangle firm bid \$4798, but offered a \$231 deduction for elimination of a fine-gauge circuit. The net of \$4567 brought the Triangle bid below a \$4764 offer made by children in the band. PROPOSED HIGH-SPEED TRAIN to serve Washington-Boston travelers as visualized by General Steel Industries and industrial designer Carl W. Sundberg. Speed would be 125 to 150 m.p.h.

### General Steel Plans Sleek Super-Train

A new concept in modern train travel is envisioned by the St. Louis Car Division of General Steel Industries Inc. and designer Carl W. Sundberg for Washington-New York-Boston run. It was announced by General Steel's Granite City office.

Present technology can provide the 125 to 150 m.p.h. high-speed super-regional train President Johnson, Sen. Pell and others are seeking for this run," said Edwin B. Meissner Jr., president of St. Louis Car, "But since the operation of these trains will be new and different, their appearance must reflect this exciting new idea of rail service."

The plan is for an electric multiple-unit, sleek and radically different appearance. A sloping, nose-end - end car has "aerodynamically favorable" properties, Meissner said.

The General Steel-Sundberg team is now designing for the 125 to 150 m.p.h. high-speed super-regional train President Johnson, Sen. Pell and others are seeking for this run," said Edwin B. Meissner Jr., president of St. Louis Car, "But since the operation of these trains will be new and different, their appearance must reflect this exciting new idea of rail service."

**Drownout Brings .66-Inch of Rain**  
Little more than a half-inch of rain was recorded yesterday, but most of it came in a mid-afternoon downpour which flooded several downtown streets.

The Army Corps of Engineers reported 0.66 of an inch fell at Quad-Cities Wednesday. Only .10 was measured Tuesday with a trace on Monday.

Yesterday's rain, however, was more than received the previous 26 days of the month. The May rainfall of 1.27 inches - well below the normal of 3.73.

The board heard a report by Eugene L. Alassi, director of art for the school district, on the findings of the Art Education Curriculum Study committee, made up of 16 teachers from kindergarten to grade 12. Alassi explained the purposes of the study and how the Art Education Teaching Guide compares to city and state guides throughout the United States.

He explained steps being taken for the slow learner and for the accelerated student, and told the board the committee was making a series of recommendations.

These include:

1. The committee be allowed to continue functioning through next year, beginning immediately in September in order to continue further development study of the Art Education program of district 12.
2. That the school board aid in implementing a strong art appreciation course from kindergarten to grade 12.
3. Board aid in implementing a broader in-service training program for elementary teachers.

Establishment of an enlarged counseling staff.

**George Moteskog, 44, Dies; Hurt at Work**

much larger area that will benefit from this.

Kozayk added: "Our main job is to keep children occupied and off the streets. The same children who play there now will continue to play there—but in a safe area."

Harold Brown, park superintendent, expressed doubt that grassy areas would be worn spots around equipment would be asphalted. Brown said he doesn't anticipate cars parking around the playground.

Gruber suggested placing the playground on 24th between Delmar and Edison avenues, asserting curbs surrounded that part of the parkway and there were fewer homes and less traffic nearby. Atty. Irvin State, however, pointed out that this location would be much nearer the Wilson Park and McKinley school playgrounds, already in use.

Equipment already has been purchased for the playground and erection is expected soon. The type of fencing to be used will be studied further by the commission.

**Dedication Ceremonies**  
The park gardens will be named for the late Mr. Sieveking in ceremonies this summer. Mr. Sieveking was responsible for developing the formal gardens and for many years was head gardener at Wilson Park. Wednesday's special meeting will center on suggested revisions of architect Henry Carls' preliminary plans for the building. The park board expects to put a bond issue to finance the project before the voters next fall.

The following commissioners' committees were approved at the meeting: Planning—Paul Schuler, Kozayk and Milton Warner; Parks and Recreation—Clarence Baumeier, Kozayk and Schuler; Ordinance—Kozayk, Baumeier and Baumeier; Engineering—Worthen, Baumeier and Schuler.

In other action, the board:

1. Decided to purchase liability insurance for \$120 from E. J. Miller Co. due to new laws which make the park district liable to court suits.
2. Agreed to propose meetings with city, school and other officials to determine joint long-range recreational needs.
3. Proposed an art contest to develop an emblem for the park district.

**Mrs. Florence Bond, 83, Dies; Ill Two Years**  
Mrs. Florence Belle Bond, 83, died at 3:20 p.m. yesterday, at her home, 1345 Meridian street, after a long illness with a heart condition and hardening of the arteries for over two years and was bedfast for the past three weeks.

Born in Jonesboro, Ark. Mrs. Bond was a resident of Madison and Granite City for the past 75 years. She was a member of the City Park Tabernacle, 12th and Meridian streets, where formerly she was active in the Women's Missionary Council. She died of heart failure, after a long illness with a heart condition and hardening of the arteries for over two years and was bedfast for the past three weeks.

**Intimidation Charge Against Moad Dropped**  
A charge of intimidation of a witness against Jack Walter Moad, 39, of 1708 Cleveland blvd., has been dismissed by Magistrate Hincott without the knowledge of county authorities.

State Atty. Joseph Bartylak and the county sheriff's department said this week they were under the impression that the charge was still pending.

Moad was charged with threatening a key witness in the murder case of Wilfred C. Bennett, 29, of 2803 Idaho avenue, charged with the fatal shooting of a St. Louis taxicab driver Sept. 16 north of the A. O. Smith Corp. plant.

Magistrate Hincott said today he had granted a defense motion to dismiss two weeks ago many continuances. He said he had granted two or three previous continuances in the case, and the county had filed a motion for another.

## GAA Picnic Marks End of Year's Activities

Sandy Carlie of Granite City high school was named president of the Girls' Athletic Association board for the 1964-65 school year as officers and board members were announced at a GAA picnic from 4 to 8 p.m. Wednesday, marking the end of the year's sports activities program. Rain forced the picnic location to be changed from Wilson Park to the high school gym.

Other officers are: Mary Lantahan, vice-president; Kathleen Aubrey, secretary; Cindy Tenney, treasurer; and Marsha Calloway, all sports manager. More than 200 from GCHS and Coolidge and Prather ninth graders attended.

In charge of various sports next year, listing managers first followed by assistant managers are:

Apparatus: Beth Love, Sharon Azari, Janis Scher, and Janis Travis; archery: Nedda Lancaster, Jane Dugloss, Donna Falt, and Jerri Hicks; badminton: Margaret Caudill, Carol Smolar, and Kathy Willis; basketball: Joyce Fowler, Ethel Nance, Judy Winfield, and Cathy Yeager.

Bowling: Diane French, Marie Greise, Karen Johnson and Ruth Richardson; golf: Vannie Peppers, Linda Ruins and Tana Stamps; hockey: Diana Tadlock, Jane Koch and Sharon Rowland; softball: Sharon Dugloss, June Fowler and Carol Studebaker; speedway: Judy Winfield, Marsha Walker, and Marsha Walker.

Table tennis: Barb Zimmerman, Margaret Dunlap and Helen Veltap; tap: Adele Travis and Susan Holter; tennis: Agnes Pisel, Gail Forshee, Dena Paul, as and Joyce Shepard; track and field: Cathy Wood, Judy Enko and Janis Melick; tumbling: Sandy Brown; basketball: Barbara Love and Janis Huel; cheerleading: Karen Randall; Best all-round gymnast award: Barbara Love and Janis Huel.

## Gifted Pupil Program Explained to Parents

Approximately 300 parents attended a meeting Monday night at which parents and teachers heard an explanation of plans for a summer seminar and workshop to be held in connection with the Granite City school district's new instructional program for highly gifted and talented children.

Dr. Earl Morris, assistant professor of education of Southern Illinois University at Carbondale who will serve as the summer instructor, explained the program at length. A question and answer period followed the meeting, conducted by Dr. Morris and Mrs. Sally Sowell of Prather junior high school, director of the gifted children program. The meeting was held in the Nidderhagen school.

About 120 fourth, fifth and sixth grade pupils are being asked to participate. It has been necessary to shorten the workshop at Nidderhagen school to an 8:30 a.m. to 11:30 a.m. Monday through Friday schedule covering four weeks, June 28 to July 23.

Thirty participating teachers will receive additional instructions from 1 to 4 p.m. daily at SWIU, East St. Louis, during a five-week period June 21 to July 23.

## Pentecostal Church to Mark Pastor's 9th Year

Special services Sunday at the United Pentecostal Church, West 22nd and Bryan avenue, will mark the ninth anniversary of Rev. Kenneth V. Reeves as pastor. A minister for 27 years, Rev. Reeves received a Bachelor of Law degree from Blackstone School of Law in 1957.

At 7 p.m. Sunday, A. T. Morgan of St. Louis, general superintendent of the United Pentecostal Church, will be the guest speaker. Members of the congregation are planning to observe the occasion during the morning worship service.

Prior to coming to Granite City, Rev. Reeves served pastorates in Paducah, Ky., and Trenton, Tenn. He resides with his wife, Norma Lee, and daughter, Angela Leigh, at 2306 Grand avenue. Currently the church is building on a new site at 2450 Pontoon road.

Funeral Rites Held for Mother of GC Resident

Funeral services were held Wednesday afternoon in Offallah for Mrs. Maude Callahan, 68, of Offallah, who died in her home Monday morning of an apparent heart attack. Burial was in Shirley cemetery, Shirley, Mo.

Mrs. Callahan was the mother of Mrs. M. L. (Viola) McElroy of Granite City. She also leaves her husband, Madison; two sons, four other daughters, a brother, a sister, 19 grandchildren and nine great-grandchildren.

## Highway Lighting Bids Studied

R. Dron Electrical Co. is the apparent low bidder to install a highway lighting system and U. S. 56. The apparent low bid-traffic signs for a truck weight station on U. S. 66 about 1 1/2 miles west of Collinsville with figures of \$44,799 for concrete poles and \$45,681 if aluminum poles are designated.

The firm also is apparent low bidder with a \$10,324 figure for lighting the intersection of U. S. 66 with New Douglas road east of Livingston.

The state highway department is considering two bids for furnishing and erecting traffic signs and delineators on 11.34 miles of

Interstate Route 270 between the Chain of Rocks Canal and U. S. 56. The apparent low bid-traffic signs will be determined on the type of material selected by the state.

If aluminum is chosen, National Ad Co. of Bedford Park, Ill., is low with \$174,240. If steel sign structures are selected, the low bidder is Chaney Fence Corp. of Florissant, Mo., with \$176,782.

## Applications Available For Jaycees' Road-e-o

Applications to enter the Granite City Jaycee "Teenage Safe Driving Road-e-o" slated for 1 p.m. Sunday, at the Nameoki Village Shopping center parking lot, are now available from driver education instructors at the Madison, Venice and Granite City high schools, it is announced today by Robert Collins, Road-e-o chairman. Registration blanks also may be obtained from Jaycee members, or from Collins at the W. T. Grant store.

Collins said all unmarried Quad-City teenage drivers are eligible to compete in the Road-e-o, providing they will not reach the age of 19 by Aug. 1, 1965, and have not had a moving traffic violation since last February. Parental permission is required.

Road-e-o contestants will compete in a written quiz, straight-line exercises, curved obstacle course and parallel parking. Two new autos will be used by those entered in the contest, furnished by Tri City Motor Co., co-sponsors of the event.

Winners of the local road-e-o will advance to state competition in Macomb later this summer. Scholarships totaling \$400 and a new automobile can be earned by the young drivers as well as a trip to Washington, D. C.

## YMCA, SWIU, GC Police Cooperative Youth Course

A 12-week course is being conducted at the YMCA for Granite City police department detectives to aid the officers in the handling of juvenile cases, it was announced this week by Chief Raymond Willard.

The study program is being carried out through the cooperation of the police department, C. A. MacMillan, general secretary of the YMCA and Southwestern Illinois University, Dr. Manfred Smetgen and Dr. Raymond Troyer of the Guidance and Psychology departments.

Taking part are Chief of Detectives George Teller and his staff, Leo Padgett, Michael Devine, Joseph Nemeth and Ronald Veizer.

Purpose of the course is to provide the officers with a better understanding of the "why" of disturbing behavior in children, to improve ability to communicate with young people and to provide techniques which will be useful in day-to-day police work and to assist the officers to better his image in the community of the young.

Included are lectures, interviews with young people and parents, studies and discussions with the program having a goal to discover motivations of youth behavior in order to develop working hypothesis from the experience.

Among the textbooks being used are "Children the Challenge," "Adult-Child Relationships" and "Raising Children in a Democracy," by Rudolph Dreikurs; "Why Children Mis-

## George Harlan Honored At Pasadena, Calif.

George Harlan, retired Navy commander and son of Mrs. L. C. Harlan, 1734 Fourth street, Madison, was given special recognition recently in Pasadena, Calif., for being the top individual producer in a \$585,000 fund drive to build a YMCA in Altadena, Calif., where he resides.

Harlan, who solicited contributions of \$5135, was presented with a special award during a banquet held to announce the campaign topped its goal by \$1017. He now is associated with Lockheed Aircraft and visited his mother early this week while on a business trip to Ohio. He has been with the firm three years after serving 20 years in the Navy as a carrier pilot.

# GC Plan Commission to be Asked to Prepare City-Wide Street Improvement Program

The City Plan Commission is to be asked by the council to begin preparation of a city-wide street improvement program to be submitted to voters at a future date for approval of bond issue to be financed through motor fuel tax allotments from the state. A similar program was voted down several years ago.

The recommendation was made during Monday night's session with only a brief discussion. Mayor Partney said he would submit the request to the Plan Commission and ask the commissioners to aid in the promotion of the program.

Uniform speed zones (20 mph) at schools were proposed Monday night during the busy session, but council members decided to carry out a detailed study of all traffic hazard problems throughout the city during the summer and strive to be ready with a program at the start of school next fall.

Another Round-Robin Session. At 10:45 p.m. during the busy, round-robin session, a suggestion was made to stop-the-clock on the 11 p.m. curfew and continue with city business. However, the committee reports were speeded up and the council went through the entire routine to adjourn at 11:10 p.m.

Alleys took up considerable time.

A request for a 20 mph speed limit signs in the 2400 block alley of Logan street to curb speeders "jumping" a hump there was referred to the street department; and an ordinance was approved to vacate the alley and a section of 18th street east of Madison avenue was approved.

Granite City Steel's new hot strip mill is under construction on the tract.

Also approved was an ordinance to vacate a section of the 1300 block alley between Iowa street and Washington avenue for a two-block distance at the north end. An access to Iowa street is to be provided. The alley was vacated at the request of Granite City Steel.

A meeting with state highway officials to discuss details of Federal Aid Route 151 (the Great River Roadway) through West Granite and Lincoln Place was requested by Alderman Nomm. He said the meeting should be open to the public so questions could be asked on exact routing and fencing locations. Nomm said residents are concerned not only about what property is to be taken but also about the safety of their youngsters, since the highway will be practically "in back and side yards."

The street committee was given permission to seek a solution to a drainage problem on Portion road where a lake forms on rainy days in front of the Nameoki Methodist Church. The committee was asked to determine the correct procedure to install a sidewalk along Johnson road. Alderman Farmley said he understood the section between Edgewood drive and Wabash avenue was recorded as a county road and no provisions had been made for a sidewalk. He asked for clarification and said property owners had expressed willingness to provide space for a sidewalk to serve Edgewood school youngsters.

"On rainy days, the children's clothing is splattered with a mixture of coal oil, water and mud," Farmley said.

## Rev. Robert Sabo Sr. Awarded Scholarship

News has been received of the awarding of a scholarship to a former Granite Cityan, Rev. Robert E. Sabo Sr. of Clinton, Ill.

Rev. Sabo did undergraduate work at Mercer University, Macon, Ga., and spent two years in study at Valdosta State College, Valdosta, Ga., from which he was graduated with an A.B. degree. He received his seminary training at Chandler School of Theology, Emory University, Atlanta, Ga., graduating with an B.D. degree. Rev. and Mrs. Sabo and their family moved to Clinton in 1964.

as an arterial street for its full length and preparation of plans for its improvement with MFT funds was urged by Alderman Thompson.

A study is to be made to determine if standard electric motors can be purchased for emergency operation of sewer lift stations in the event of a breakdown similar to the one which occurred Sunday, knocking out the Peeling road station. The city has three types of lift stations, and the Street committee is to study the specifications and submit a recommendation. Gasoline pumps had to be used to pump sewage after the lift station motor compartment was flooded.

Alderman Bartosiak, City Hall committee chairman, asked for \$200 to be placed in the next budget to relocate the city hall switchboard from the mayor's office to the second floor lobby where the operator also can serve as an information clerk for city hall patrons. The switchboard must be completely enclosed and possibly heated.

Mayor Partney's recommendation for removal of an unneeded switchboard at the main station was approved. He said the city can save \$40 a month through its removal.

A \$2000 liquor bond renewal for John Stueb at Stueb's tavern, 2500 Nameoki road, was approved. The bond was issued by Western Surety Co.

Authorization was given the Personnel committee to hire a full-time painter to begin work June 1. His first duties will be to paint crosswalks, turn lanes and parking zones.

**Sick Opinion on Fences Law**

Approval was given a request City Atty. Richard Allen was asked to submit to the council a written interpretation of the city Personnel Association at a

three and four-foot fence limitation in residential areas. Also referred to him was a notice from the Illinois Commerce Commission of a continued hearing at 10 a.m. June 10 at Springfield on passenger train consolidation by G.M.E.O. Railroad between St. Louis and Chicago. Temporary permission for the consolidation of two northbound trains for one of two southbound trains for another single run was granted late in April.

Approval was given a request from the Board of Fire and Police Commissioners to join Publication

#### 30,000 Trout Put Into State Waters

Brown and rainbow trout have been released in some Illinois waters and are available to anglers, according to the Illinois Department of Conservation.

Approximately 30,000 trout, of which 9000 are browns and 21,000 are rainbows, were obtained by the department from a U. S. Fish and Wildlife Service hatchery at Manchester, Iowa, where they were reared over the winter.

Brown trout were released in the following streams: Apple-

River in Apple River State Park near Warren, Jo Davies county; Pine Creek in White Pines State Park near Oregon, Ogle county; North Fork of Kent Creek in Pages Park near Rockford, Winnebago county.

## THE MADISON COUNTY SPORTSMAN

By DON HASTINGS  
County Conservation Officer

Sampling with an electric shocker was taken on two county lakes this week.

The first, Camp Warren Lewis Lake at Oakley, recently experienced a pollution fish kill. The sampling did not bring up one bass, crappie or bluegill in this lake which prior to the kill had a good supply of both in all sizes and some very easy to find.

This then was a serious kill or game fish. The lake did have an excellent crop of large bluegills of the size you don't often find so the Boy Scouts who go there this summer will still have some good fishing.

The second, the Sunset Hills Country Club Lake, had some very large bass but failed to have the smaller bass coming on. This shows that the large bluegill population has kept the bass from bringing off a spawn for several years.

**Solution Suggested**

The immediate solution here is to eliminate the bluegill. One manner that we suggested—and this could be used by anyone who has a large bluegill population—is to drop copper sulfate directly into their spawn beds.

Bluegill spawn in colonies so their beds are very easy to find. In several places on the lake, spots in shallow water seemed alive with the turbulence caused by the colonies. If, on the other hand, you are wanting a spawn of bass or other fish to succeed in your lake, now is NOT the time to control the algae with bluestone or copper sulfate. In my own case, a large spawn is desired so I am just putting up with the algae until the spawn is off and going.

Silver Lake at Highland is still producing carp and bullheads for night fishermen but also received was a report of a good catch of crappie. This is no surprise since this lake had an unusually large crappie spawn last year.

**City Regulations**

To answer a question regarding Silver Lake, the state law does not prohibit use of traps and nets in a lake such as this if they are licensed but the City of Highland has an ordinance that does and this takes precedence. Therefore no nets or baskets in the lake proper.

The city is also moving to promote safe boating on the lake and has approved use of a patrol

#### Larry's Triumphs 2-1 In 35 & Over League; Jacobsmeier's in Win

Larry's Corner edged Local 16 by 2-1 Monday night in a 35 & Over League slow-pitch softball duel at Wilson Park. Jacobsmeier's rallied to down VFW 12-8 in the other game.

Larry's scored in the second inning when Luke Kraus doubled, advanced to third and scored on Ike Burns' sacrifice fly. They went ahead 2-0 in the fifth on John Sabo's single and Ted Sabo's triple. Local 16 scored in the seventh on a single by George Wilkinson, an error and Carlos Levaull's hit. Both winner Dick Portell and loser Russ Terry gave up nine hits. Levaull, Bill Gains and Carl Linhart of Local, and Chet Miller of Larry's all had two each.

A home run by John Allen was the big blow as Jacobsmeier's scored five runs in the seventh inning to break a 7-7 tie with VFW Post 1200.

Bob Barnhart and Harry Taylor both had three hits with Allen and Al Paskus getting two for the winners. For the VFW, John Harrison hit a triple, double and single with Roger Bowler and Al Haug having two safeties.

## Activities Will Increase When School Year Closes

Three months and more of garden strolls, snow cones, dia-mond dust, refreshing swims, swinging, singing and picnic-fling-ing await Granite City park district residents.

Activities, some already started, will continue to grow in volume next month at spacious Wilson Park and satellite parks and playgrounds throughout the district. School children espe-cially will enjoy the district's facilities after classes are dismissed late next week, but there is plenty for the older folks, too.

In progress are the softball and boys' baseball programs, director of parks and recreation, school picnics (11 have been said 25 men have been working held with four to go), and regis-tration for various programs which will start next month.

Most of May, however, has been dedicated to preparations for the busy months of June, July and August. Harold Brown,

Your Mercury dealer invites you to  
**compare**  
Mercury's fuel economy with the  
fuel economy claimed for competi-tors' outboards.

At Lake X, Florida, Mercurys and competitive brands were tested under identical condi-tions. All Mercs, from 3.5 to 100 horsepower, outperformed competitive brands of comparable horsepower, yet averaged more miles per gallon through-out their speed range.

For example, Merc 900 gives better fuel mileage than the competitors' 90 at all speeds. With the "other" 90 running at full throttle and the Merc 900 cruising alongside at part throttle, Merc goes 30% farther per gallon of fuel. With both motors running at full throttle, the Merc 900 yields 18% more miles per gallon, although it is running 2.5 mph faster.

• The Merc 900 averages 20% more miles per gallon than the competitors' 75. Furthermore, the Merc 900 can outrun it by 4 mph and still use less fuel.

• The Merc 650 gives more miles per gallon than one of the competitive 60's at all speeds. At the "other" 60's top speed, the Merc 650 shows 28% better fuel mileage.

• At their 40's most economical speed, our 40 still gives 18% more fuel mileage. At our most economical speed, the difference increases to 36%.

Our 35 delivers 9% to 20% more miles per gallon than their 25, depending on boat speed.

• Our 20 ranges from 22% to 87% more miles per gallon than their 18.

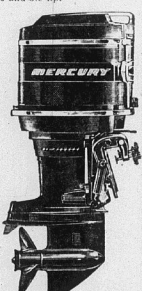

• Our 9.8 yields 27% to 64% more miles per gallon than their 9.5 at various boat speeds.

• Our 6 goes 43% to 49% more miles per gallon than their 5.5.

• Our 3.5 goes up to 20% farther per gallon than their 3 in the speed range most used by fishermen.

Mercury's emphasis is on fuel economy—not oil economy. Good lubrication spells longev-ity and survival. Wesal-worded warranties are no sub-stitute for proper lubrication. Save where it's safe, and where the savings are big—on fuel.

Your Mercury dealer will show you why Merc gives you more RUN for your money... 100, 90, 65, 50, 35, 20, 9.8, 6 and 3.5 hp.

## 'Project Head Start' Project Set in June

A crash program to train 400 elementary school teachers as leaders in "Project Head Start" for pre-school children will be held next month at Southern Illinois University, Carbondale, and the East St. Louis center of Southwestern Illinois University.

The university has a contract with the federal Office of Economic Opportunity for \$72,000 to conduct three six-day schools for teacher-leaders to begin June 14, 21 and 28. About 175 will train in East St. Louis.

It is the first step in a program to bring school room orientation to underprivileged youngsters before opening of classroom doors in the fall, to permit them to enter school more nearly on a par with youngsters of higher income homes.

The teacher leaders are to start a one-week intensive training course for community volunteer workers then will be ready to staff the community pre-school centers.

## Misses Ochoa, Ritz Lead VHS Class of 37

SCHOLASTIC LEADERS of the Venice high school graduating class tonight are Kathleen Ann Ochoa, right, val-dictorian, and Evelyn Louise Ritz, salutatorian.

By JUDY REIDELBERGER

Kathy Ochoa and Evelyn Ritz will lead the 1965 Venice high school graduating class at commencement exercises at 8 p.m. today in the school gym.

Kathy, with a grade average of 1.983, was announced as val-dictorian, and Evelyn, with an average of 1.694, was named salutatorian. There are 37 students in the class.

The val-dictorian has been a vice-president of the VHS chapter of the Junior Red Cross, secretary of the Student Council, a school reporter, a member of the National Honor Society, treasurer of the senior class and editor of the Venetian.

The salutatorian was treasurer of Future Homemakers of America, president of the Student Council, member of the National Honor Society, sergeant-at-arms of the Junior Red Cross, last year's delegate to Girls State and school reporter for the Press-Record during her junior year. Both girls plan to continue their education.

## List Graduates

Members of the Venice graduating class are: Donna Kay Agers, Patrick Ray Austin, Jerry Lee Bartlett, John Thomas Jolley, Michael Thomas Britt, Diann Susan Clayton, Charles Emmerson Dandridge, Gary Ralph Ebersoldt, William Eugene Gatz, Marilyn Jean Gontierman, Dale Wayne Griffin, John Thomas Hackney, Donna Gaye Hawkins, Larry Gene Hill, Grace Virginia Hogan.

Go Ahead... Go Cadillac!

Before you buy any car at any price, consider a Cadillac first of all. New or previously owned, a Cadillac is the one way to be sure your investment will buy the most and last the longest.

Whatever you have budgeted for your next car, your Cadillac dealer has a Cadillac to fit your plans. Naturally, if your choice were unrestricted, you would prefer a new 1965 Cadillac like the Sedan de Ville in front. Next best would be a late-model, previously-owned Cadillac such

as the black 1963 Sedan de Ville, above. A well-maintained, one-owner used Cadillac is actually the only real rival of a new Cadillac. Because of the popularity of the 1965 model, your authorized dealer is the one logical place to go for the best selection of fine used Cadillacs.

We're having a Chrysler sales success shindig! So who cares?

\*For Jan., Feb., & March, 1965, as compared to same period last year.

You will ... when you check the price, looks and Chrysler's 5-year/50,000-mile warranty!

Don't miss out! Join the thousands of new Chrysler owners who have already made this discovery: 7 Chrysler models (out of a total 17) are actually priced just a few dollars a month more than the most popular smaller cars, comparably equipped. And, remember this: Chrysler still carries the longest, strongest warranty in its class—5 years or 50,000 miles of engine and drive train protection. Move up to Chrysler. It's smart. And easy.

**CHRYSLER'S 5-YEAR/50,000-MILE WARRANTY WITH THIS COVERAGE:** Chrysler Corporation warrants, for 5 years or 50,000 miles, whichever comes first, against defects in materials and workmanship and will replace or repair at a Chrysler Motors Corporation Authorized Dealer's place of business, the engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excluding manual clutch), torque converter, drive shaft, universal joints, rear axle and differential, and rear wheel bearings of 1965 automobiles, provided the owner has the engine oil changed every 3 months or 4,000 miles, whichever comes first, the oil filter replaced every second oil change and the carburetor air filter cleaned every 2 years and replaced every 2 years, and every 6 months furnishes to such a dealer evidence of performance of the required service, and requests the dealer to certify (1) receipt of such evidence and (2) the car's then current mileage.

### Police Set June 1 Drive On Wheel Tax Delinquents

Sale of Granite City wheel tax stickers had passed the 6000 mark and are about 1200 behind sales at this time last year, according to the office of City Clerk Homer Pendleton.

Despite the three-day Memorial Day holiday this weekend, the city clerk's office will remain open Saturday until noon in the hope of spurring last minute sales of the license tags before the opening of the annual police drive against delinquent motorists.

Police will begin arresting motorists who fail to display the stickers on Tuesday, June 1. The clerk's office said that more than 12,000 license tags are sold each year, so that only about half of the usual number are now on Granite City passenger cars. The clerk's office also sells about 700 truck tags each year.

Persons who fail to display the stickers after June 1 and are arrested are subject to fines, plus court costs as well as the cost of the license tag which they will be required to purchase. Under city ordinances, the fine violation may range up to \$25.

### Mrs. Lillian Luddon, 71, Dies in Nursing Home

One of the area's long-time residents, Mrs. Lillian Elizabeth Luddon, 71, of 123 Abbott street, Venice, died at 5:50 p.m. Monday, in Our Lady of Perpetual Help Nursing Home, St. Louis. She had resided in the Venice and Madison area for 70 years and had been a patient at the nursing home for the past 18 months. Death was due to infirmities.

Mrs. Luddon was a member of St. Mark's Roman Catholic Church, Venice, St. Elizabeth Hospital Auxiliary and Venice-Madison American Legion Post 307 Auxiliary. She was born in Mount Vernon, Ill. Her husband, John Luddon, died in 1933.

She leaves one son, John Patrick Luddon of Venice; three daughters, Mrs. Thomas (Mary Donna) Scaturro, Venice, Miss Rita Luddon, St. Louis, and Sister Mary Laurence of the Order of Divine Providence, Normandy, Mo., a step-brother, Pat Lindsey, Madison, a step-sister, Mrs. Lou Spireckmeyer, Bloomington, Ill., and nine grandchildren. Funeral arrangements are given in today's obituary column.

**Travelers Abroad Hear Miss Cooley at Banquet**

First dinner meeting of Travelers Abroad, Quad-City organization of foreign travelers, took place Monday evening at the Rose Bowl restaurant, with 37 attending. Due to the summer travel period, the next monthly meeting was set for Sept. 27, at Prather junior high school.

Miss Bea Cooley, former Granite City teacher who has traveled extensively overseas, gave highlights of an around-the-world tour, explaining tourist attractions and conditions found in Asia and Europe and recalling favorite quotations relating to various countries. She was introduced by Miss Alice Purdes, program vice-president.

William F. Winter, president, conducted the meeting and introduced the officers, who also include Harry R. Johnson, membership vice-president, Walter Klein, arrangements vice-president, Mrs. Barbara Thoele, secretary-treasurer, and Ernest Roulund, sergeant-at-arms.

The banquet committee consisted of William Thoele, Mrs. William Huxel and Miss Helen Ganscheff. The room and tables were decorated in a travel theme, and a travel gift certificate was presented to Mrs. Rose Darling.

Organized earlier this year, Travelers Abroad features talks or photographic slide narrations by members and guests. Membership is open to local residents who have visited other continents. It was announced that the September meeting will have a Bulgarian theme.

**Girl Scout Day Camp Sessions Scheduled**

Mrs. Edgar Votaw of Granite City, 1965 day camp director for the River Bluffs Council, announced today that three separate sessions of day camp will be offered this year at Camp Lakota in Glen Carbon. Volunteer adult leaders are still being sought. Mrs. Votaw said to assist with the day camp activities.

The camp director pointed out that no previous training is required to assist in the camping program, as training sessions are held at the site for interested adults. About 25 hours of time is contributed by each volunteer.

Those interested are being asked to call Mrs. Votaw at TR 8-3838 or Mrs. William Bollinger, TR 6-8083. Camping sessions are scheduled for the weeks beginning July 19, July 26 and August 2, and are conducted from 9 a.m. to 3 p.m. Monday through Friday.

Last year, a total of 261 Quad-City Girl Scouts attended two day camp sessions. The program has been increased to three weeks in order to accommodate additional girls.

#### North Granite Burglary

About \$2 from a wallet, a yellow piggy bank with an undetermined amount of silver and a woman's yellow gold wrist watch were stolen at the home of Sally McElroy, 728 (near) 27th place, she reported at 6:45 a.m. Tuesday. Entry was through a front window.

#### Speeding Charge Filed

Thomas B. Holman, 3301 Johnson road, was arrested at 2 a.m. Tuesday on Johnson road on a charge of speeding 60 miles per hour. A hearing is set June 10.

#### Speeding Arrest Made

Joseph D. Reid, 1814 State street, was arrested at 11:55 p.m. Monday at 23rd street and Madison avenue on a speeding charge. A hearing is pending.

#### Gas Tank Cap Stolen

Jimmie Thompson, 2117 Alton avenue, reported at 9:15 p.m. Monday that four youths had stolen the gas tank cap off of his black 1933 auto parked on the Washington theater lot and then left in a maroon car from the merchant's parking lot at 18th street and Edison avenue.

#### Letter of Thanks Instead of Bricks

A bouquet instead of a brickbat was presented to Granite City council members Monday night in the form of a letter from a pleased resident of the 2800 block of Benton street.

E. E. Rouland, 2828 Benton street, wrote: "It may be a little unusual to receive a letter of thanks and commendation rather than bricks, but..."

He went on to say that the new asphalt surface not only has halted the sliding of his house that was resulting from heavy trucks and buses hitting chucks, but also that the busy street now is more quiet.

The council noted the letter with appreciation and instructed that it be placed on file.

#### Council Oks 10 Street Lights, 2 Fire Plugs

Installation of 10 street lights and two fire hydrants was approved Monday night by Granite City council members with adoption of resolutions directing East St. Louis & Interurban Water Co. to install the hydrants and Illinois Power Co. to place the street lights.

The lights will be at the following locations:

On the north side of the circle at Parkside Manor off 27th and Center streets; 2137 Princeton, 3204 Harvard, 3216 Harvard, 2912 Yale and 3069 Yale drive, all in Lueders Park Estates; the west side of Chestnut at the alley next to 1713 Chestnut street; at the alley on August street between East 25th street and Hodges avenue; 1807 (near) Edison avenue in the alley and at 2550 Pontoon road.

The fire plugs will be placed at the north end of Braden avenue at the city limits and on the south side of Johnson road between Central Christian Church and Frohardt school.

#### Mrs. Lulu Butcher, 77, Gold Star Mother, Dies

Mrs. Lulu K. Butcher, 77, of 2116 Hildebrand street, Madison, a Gold Star mother, died at 12:35 p.m. Monday in St. Elizabeth Hospital, where she had been a patient for 12 hours. In ill-health for several years with a liver ailment, her death was attributed to a stroke. An inquiry is pending.

Mrs. Butcher was preceded in death by her husband, Earl E. Butcher, in 1945, and by a son, T. Sgt. Leo W. Butcher, 19, who was killed in action in New Guinea in 1943. She was born in East St. Louis and was a resident of Madison for 20 years. Prior to that time, she had lived for 11 years in Venice.

Survivors include two sons, Edward J. Butcher, Lakeside, Calif., and Robert Butcher, Madison; two daughters, Mrs. Violet Morrison, Madison, and Mrs. Bennie (Goldie) Greer, Chicago; two stepchildren, Mrs. Helen Brown, Chicago and Charles Butcher, East St. Louis; two brothers, William Koester, Quincy, Ill., and Leo Koester, East St. Louis; and seven grandchildren.

Funeral services are given in today's obituary column.

### OPPOSES DECISION ON SANITATION CONTRACT

To the Editor: Having attended the city council meeting May 17, I think we have strictly a political machine determining the expenditure of taxpayers money. After the damaging blast, Alderman Whitmer, against the National Disposal Co. and the appealing talk by Alderman Robinson in behalf of his constituents, the contract was awarded by a vote of 10-6 to the National Disposal Co. at a higher cost than the United proposal. No specification was present in the bid by the National Disposal Co. that they would employ a single team of men or purchase more trucks or anything else helping our area, other than state and city truck licenses. In this fair and equitable representation of the taxpayers as a whole, city-wide?

Why were not more calls made in protest to the aldermen? Because in 14 calls I made, only one was available for discussion and he was a recently-elected alderman.

### APPROPRIATE DILIGENCE OF SCHOOL CROSSING GUARD

Thank You, Mr. Gallat! Now that another school year is nearing completion, I would like to take this opportunity to say "Thank you" to Mr. Gallat, the "prohibitory" school crossing guard. Mr. Gallat has very diligently watched over our children at the Johnson and Wabash crossing and I, for one, really appreciate it. Mr. Gallat has been at the school to instruct some parents on how to safely let their children out of the car. I have seen the cars and I have seen the children though we forget now and then in the rush of the morning how our children's safety really is. But Mr. Gallat does not forget and for this I again say "Thank you."

Relationship Between Education, Earning Power

Statistics from time to time have shown the close relationship between education and earning power. It can be argued that certain individuals probably would have been successful anyway, but there is a sufficient correlation between intellectual attainment and vocational advancement to encourage the substantial student to seek college degrees.

Latest U. S. Labor Department records confirm that physicians, dentists, airplane pilots and navigators, lawyers, judges, osteopaths, college presidents and managerial personnel are among the highest paid. And within particular occupations, the better educated generally have larger earnings.

Another factor which indicates the importance of higher education in the mid-1960s is steadiness of employment. The government lists the shakiest jobs as including washers, roofers, paper-hangers, fishermen, lumbermen, library attendants, recreation assistants and certain types of construction workers.

### Wise School Fire Safety Law Revision, Compulsory Attendance At 18 Questionable

Schools long large in the 1965 legislation at Springfield, and their current bills two appear to be wise and the other unwise.

Elimination of schools built between 1955 and 1965 from fire safety remodeling requirements will avoid huge expenditures by school districts without a substantial sacrifice of safety. New construction is being made to conform to the revised standards, and it is the older schools—which will be improved—that have the greatest hazards.

Compulsory attendance through 17 and 18-year-olds, could cause more problems than it solves. Efforts to attack the dropout problem at its source—pupils failing academically and culturally in their early school years—may eventually make such attendance law feasible. Until then, it could create difficult disciplinary problems.

At the grade school and pre-school level, a newly enacted law will seek to curb parental cruelty to children by requiring doctors and hospitals to report apparent abuses. Main emphasis will not be on punishment of the parents, although this could also have merit, but on rehabilitation of the family to provide a more wholesome environment.

## Great Honor Due American War Dead—Past And Present

"In Flanders field the poppies blow between the crosses, row on row."

Inseparable from Memorial Day, which dates back to 1868, is this poem of tribute to those who gave their lives in world war I. The solemn holiday to be observed here this weekend continues to have as its central theme the recognition of men and women who made the supreme sacrifice while defending this nation against aggression that either directly or indirectly would have destroyed America as we know it. They died, so that others could live in freedom.

In decorating graves and honoring their fallen comrades, Quad-City veterans and others call attention each year to how much the American heritage means to citizens from whose ranks wartime military forces are formed. The perpetuation of a democratic way of life is so important to individuals that each is willing to risk "the last full measure of devotion."

Once again, fighting men are giving their lives for a high cause. New graves are being created on foreign soil and in national cemeteries. If they could speak this Memorial Day, their words might be similar to those of John M. Smith.

"Take up our quarrel with the foe. To you from failing hands we throw the torch; be yours to hold it high. If you break faith with us who die, we shall not sleep, though poppies grow in Flanders fields."

### Action In Chouteau Township Against Unsanitary Open Dumps

Supervisor Troelckel and the health and nuisance committee of the town board deserve the full support of Chouteau township residents in their efforts to clean up open dumping grounds and lots containing abandoned cars.

Through enforcement of health and zoning regulations, it is hoped to eliminate hazards and improve the general appearance of property. Principal emphasis will be in South Roxana but Mitchell area residents no doubt also will want to encourage full compliance and cooperation in their portion of the township as well.

### Let Relatives And Friends Continue Aiding Blind Voters

The Madison County Blind Association has logic on its side in opposing a proposed state law amendment that calls for poll judges to cast ballots for blind voters.

Under existing procedures, a blind person can enter the election booth with a relative or friend, whom he trusts to mark his ballot according to his wishes.

As Jack Reed, associate president, points out, "The sightless voter never would know how his ballot was marked" if the proposed change were enacted. And poll officials would know the voter's candidate preferences, which is "none of their business."

Illinois already has experienced too much fraudulent voting. The state should not open a door to increased control of elections by political organizations.

Character is seldom established in a single year.

### \$43,785 Bill List OK'd; Payment Of \$2714 Delayed

A \$43,785 bill list and a \$39,187 half-monthly payroll were approved Monday night by Granite City council members after separating a \$2714 payment to David J. Johnston & Associates for clarification of engineering.

The bill was referred to the controller and finance committee. The bill list showed the bill for engineering services on the 23rd and Adams streets drainage-inlet track removal project.

Alderman Moerlen stated that the bill be studied to make certain the city was not paying for services as both public engineer and consultant engineer.

Among the payments approved were \$12,291 to LaMue-United Disposal Co. for trash-grabber collection in May; \$28,817 to MacIver Asphalt Co. for asphalt resurfacing on 20th street; Breen, Cleveland, Delmar and Edison streets; and \$4666 to the Nevada Avenue-West 23rd street motor fuel tank improvement project.

Cutting weeds on 89 lots; and M. H. Wolfe & Co. was paid \$350 to close openings in a vacant house at 2207 Benton street.

Alvan's and John's Body Shop was paid \$175 to repair a street department truck that had been damaged by another city truck.

Advances approved included \$123 for Mayor Partney who lists 1082nd St., Civilian Conservation Corps, at Camp Eureka, Congerville, Ill. It was an advance for the summer of 1964.

Donald Setzer, 2308 East 25th street, was to return home today from Williamsport, Pa., where he attended funeral rites for his mother, Mrs. L. I. Setzer, 74, who died last week in a Williamsport hospital. Mrs. Setzer had been ill for three years and suffered a stroke recently. Burial was in Williamsport.

GROUND-BREAKING CEREMONY conducted this week for the new 2000 Johnson road. Left to right are—Rev. James R. Craddock, pastor; David Partney, contractor for heating and air-conditioning; Leo Wolf, general contractor; Mayor Partney, Dennis Randall, vice-president of the Christian Youth Fellowship; M. L. Spengler, chairman of the building plans committee; W. A. Butler, charter member; Joseph Kennedy, chairman of the property committee; Mrs. A. M. Jacob, charter member; and David Partney, chairman of the church council.

### Farewell Party Tonight For Retiring Fire Chief

Eljah King, Granite City fire chief, he said, he remembers as a "plum man" as they were called then. At that time, King recalled, there were only two fire stations in Granite City, the old No. 1 station house on Nineteenth street, where he was assigned, and the West Grant station.

Chief King, who notified the city council a week ago of his plan to retire, has been a member of the fire department June 1, 1931, as a pipeman or, King said, as a "plum man" as they were called then. At that time, King recalled, there were only two fire stations in Granite City, the old No. 1 station house on Nineteenth street, where he was assigned, and the West Grant station.

King, now 71 years of age, was born in Cannellton, Ind., and came with his parents to Granite City when he was four years old. He has lived here since. During his career as a fire-

MAY 28, 1915

Although no official announcement has been made, it is generally believed that C. E. Townsend, of Namek, and H. O. Tonsor, of Madison, will be named as members of the Board of Review in Madison county. It is likely the appointments will be made today by County Judge H. E. Eaton. Mr. Townsend, through his long years of service as county recorder, and his widespread acquaintance and knowledge of the affairs of the county, is rated as one of the best men who could be appointed a member of the board. Tonsor is a highly-regarded Alder banker and businessman.

Mrs. J. C. Reintges Mrs. Talbot and Mrs. Wagoner will be co-hostesses to the Ladies' Social Union of the Granite City Presbyterian Church at its meeting Wednesday afternoon.

Rev. Oscar W. Junk of the Commonwealth Steel Co., of Carrollton, Ill., is in Granite City on a visit with his son, W. V. Clarkson and family, 2127 Grand avenue.

The annual high school exercises of the Granite City high school class will be held this afternoon in the auditorium of the high school building. A splendid program has been arranged by the senior class members. The program will include the customary class history, prayer and will conclude with an entertainment. Free will contributions for the class fund will be accepted.

The following items were taken from the files of the Granite City Press-Record

MAY 27, 1940

The Venice-Madison Post 30 of the American Legion held Memorial Day services for 36 deceased veterans at a symbolic cemetery in front of the Legion home on Broadway. Included among the names of those to be honored were three veterans of the Civil War, one Spanish American War veteran and 32 veterans of the World War, all of whom were residents of the jurisdiction of the post.

Those of the post who attended the service were: John J. Hunt, Wellington Wilcox and Frederick Harbig. The Spanish War veteran was George T. Morris. The program includes selections by the Venice and Madison high school bands, a harmonie reading by "Bill Strange and a solo by Miss May Scott, accompanied at the piano by her sister, Miss Bertha Scott. The post will be visited by the Corporal Cyril Melvyn who will command the post firing squad and "Pats" will be welcomed by Darrell Franklin.

At Mueller Jr., a student in the school of medicine at Westminster College, Fulton, Mo., has been elected president of the Highlanders Club, vice-president of the senior class and a member of the Student Council.

Graduation exercises for 240 Central grade school pupils will be held Wednesday at the city auditorium. An appropriate program will precede the presentation of diplomas. Dr. Ralph A. Lynn, pastor of the First Presbyterian Church, will give the invocation and benediction; Robert E. Chapman, school board president, will award the diplomas. A demonstration, "Central in Review," will be given by the Melvyn, Elma Cottrell and Fred Strand, assisted by various school departments and activities. Special mention will be made of 37 honor pupils.

Mr. and Mrs. John Unnoff and daughter, Shirley Joy, 1213 Madison avenue, Madison, returned home from the National Yachting Cultural Festival of the Slovene Progressive Benefit Society, held at Cleveland, O. Shirley Joy, 11, is an accomplished classical dancer and singer and was one of the most popular entertainers on the festival program. She was awarded a bronze medal for her excellent performance.

One of the most extensive and expensive improvements hereabouts is a new bowling alley on Tenth street and Madison avenue. The new alley will consist of four outdoor alleys and the place will be air-conditioned. For the past few years a filling station has been operated on the premises by Steve Harshary, but the new alley is owned by Sam and Paul Harshary and the Purdes, who bought the building from John Frangoulis, Sam Harshary, a bailiyyer with the St-

## Guiley, Hoelscher Named To Higher GC Steel Posts

Lyle F. Guiley, vice-president, 1947 as assistant treasurer. He became secretary and assistant treasurer in 1951 and was elected secretary and treasurer in 1953. He lives at 40 Berkshire drive, Richmond Heights.

A native of Granite City, Hoelscher was graduated from the school of business administration of the University of Illinois in 1933 and was with Price Waterhouse & Co. prior to coming to Granite City Steel. He was an officer in the Army and the Navy during World War II and was discharged with the rank of major. He is a member of the American Iron and Steel Institute and has served on the advisory board to the Division of Industrial Planning and Development of the State of Illinois.

The board of directors of Granite City Steel also re-elected the following officers at the meeting: Nicholas P. Vorder, chairman of the board and president; John A. Leschen, vice-president; Edwin J. Hundley, vice-president; industrial relations, vice-president; Edward D. Buehler, secretary; and W. N. Federpaul, controller and assistant secretary; Carl P. Bryn, assistant controller; and Melvin O. McKelvey, assistant treasurer.

### Mill Wants Traffic Signal

Granite City Steel has requested a traffic signal at the intersection of 17th street and the 1500 block near 16th street.

The board of directors of Granite City Steel also re-elected the following officers at the meeting: Nicholas P. Vorder, chairman of the board and president; John A. Leschen, vice-president; Edwin J. Hundley, vice-president; industrial relations, vice-president; Edward D. Buehler, secretary; and W. N. Federpaul, controller and assistant secretary; Carl P. Bryn, assistant controller; and Melvin O. McKelvey, assistant treasurer.

### Preliminary Traffic Study Gets Under Way In GC

Preliminary steps to rid the city of some of its more than 900 traffic signs are now being taken, Mayor Partney announced during Monday night's council session.

At the same meeting, the city placed on first reading an ordinance for installation by Granite City Steel Co. of electric traffic signals on Madison avenue immediately south of 16th street for a total of 10 signals. He is to submit a preliminary report in the near future.

Partney also has requested the state highway department to conduct a city-wide traffic count. The council was advised Monday night by Paul R. Fiedler, engineer, that the state's counting unit is to be used in the remainder of this year on county and township roads throughout the state.

### Kiwans Hold Brief Monday Night Session

The Granite City Kiwanis club held a brief business meeting without a special program Monday night, and adjourned early to permit attendance of members at a National Rifle Association event at the YMCA. The board of directors met following the regular meeting, however, and discussed tentative plans for the annual boat race.

The boat race will be held this year on Aug. 8 at the Bowline Boat club on the Hartford River. No regular Monday session will be held next week because of plans for an inter-club meeting with the Edgewood Kiwanis club, at Edgewood, Granite City members are to meet at the Grant street at 8 p.m. and leave here in a group.

### Last Council In 1960

The last traffic count was made in 1960, and Partney said that the city will be conducting a city-wide traffic count. The council was advised Monday night by Paul R. Fiedler, engineer, that the state's counting unit is to be used in the remainder of this year on county and township roads throughout the state.

OUTSTANDING CONTRIBUTION by the Granite City Twilight Optimist Club in providing assistance to exceptional children is marked with the presentation of a plaque by Harold Thomas, special education director for the Granite City school system, (left) to Wilson Andrews, club president.

## Twilight Optimist Given Award for Aid to GCAARC

Presentation of an award which is conferred annually on an organization for significant contribution to the betterment and welfare of exceptional children was officially made to the Granite City Twilight Optimist Club at a semi-monthly dinner meeting, Monday evening.

The bronze and walnut plaque was presented to the club by Harold Thomas, director of special education for the Granite City school system, and a board member of the Alton chapter of the Council for Exceptional Children, sponsors of the award.

The local service club was cited for its contribution of a station wagon to the Granite City Association for Aid to Retarded Children several years ago. The vehicle, which was kept painted and repaired by the club members, was recently traded for a new bus now used by the GCAARC group to transport local youngsters.

Fifteen members attended the dinner meeting, held in the Rose Bowl restaurant. Also witnessing the presentation was Optimist Lt. Gov. Eugene Barnett of East Alton.

Wilson Andrews, president, conducted a brief business session, with plans announced for an installation dinner June 19, at Augustine's restaurant, near Belleville. Wives of the members will be guests at the affair.

Recently elected officers to be installed, include: George Englund, president; Harold Matson, vice-president; and Charles Lane, secretary-treasurer.

## Wet Pavement Collision

A wet pavement caused a three-car chain reaction collision Monday at 2329 Madison avenue. Richard G. Foote, 112 Granite avenue, Venice, and Charles A. White Jr., 2041 Beckwith street, Madison, were stopped for a car making a left turn onto a food store parking lot when a car driven by Delmer L. Rhodebeck, 1429 Norwood avenue, skidded into the back of the White auto, pushing it into the rear of the Foote car. The three vehicles were damaged.

## Tree Hides Yield Sign

A tree hid a yield right-of-way sign from the view of John C. Baise, Rural Route One, causing his pickup truck to collide with the left front fender of a car driven by Alice L. Mercer, 2024 Pontoon road, at 8:15 a.m. Tuesday at Lindell blvd. and Terrace lane.

## Thieves Siphon Gas, Flea Through Alley

Thieves were unsuccessful in siphoning and stealing gasoline from a 1965 auto owned by Thomas Skelton, 2110 Missouri avenue, while it was parked in his garage at 9:35 p.m. Monday. Apparently frightened, they were seen fleeing in a car through the alley at a high rate of speed. A gasoline can containing three or four gallons of gasoline, along with a hose, were found next to Skelton's car.

### 3 Rezoning Requests Presented to City

Rezoning of two residential lots in the 3400 block of Nameoki road to C-1 commercial and a request for a lot on the Buehner farm to be rezoned R-3 residential from the present agricultural classification were submitted to the Granite City council Monday night and referred to the City Plan Commission.

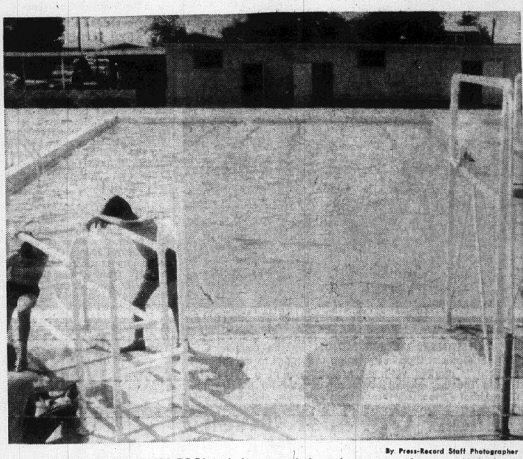

Owners of the two adjoining lots on Nameoki road, Ralph Abrams at 3410 Nameoki road and Mrs. Virginia McDowell, 3408 Nameoki road, have no definite plans at the present. Property south of the homes is commercial. The two lots now are zoned R-2 residential. A hearing by the Plan Commission has been set for 1:15 p.m. June 10 at the city hall council room.

The Buehner farm tract is owned by Arthur McFarland, who is planning to erect dwellings on the site.

**G. H. Sternberg to Speak On Greenview Program**

G. H. Sternberg sr., Granite City contractor and alderman, will be the principal speaker at Memorial Day services at Greenview Sunday afternoon. The program is scheduled to begin at 2:30 p.m.

Sternberg, who also is past president of the Cahokia Mounds Council of the Boy Scouts, gave the Memorial Day address in Greenville several years ago and did such an outstanding job that his services were sought again this year, according to P. L. McCracken chairman of the program committee.

**IMPROVED PADDLERS POOL** includes extended patio area and cover (left background) and new diving boards (being installed at lower left and at right). The private pool opens with brief ceremonies at 1 p.m. Saturday.

### Padddlers Pool Opens New Season Saturday

Padddlers Swim Club, 2121 Johnson Road, will open at 1 p.m. Saturday with brief ceremonies, according to manager Keith Parker.

The pool area has been redecorated and includes a larger patio, a patio cover, new diving boards and a new sound system. The facility will be open from 1 to 9 p.m. during the three-day Memorial weekend and from 4 to 9 p.m. June 1-3. On June 4, the regular hours of 1 to 9 p.m. will resume until the pool closes for the season.

A meeting of the competitive swim team, open to children of all members, will be held at noon June 7. The swimming instruction program—open to all Granite City residents, starts June 14 and pre-registration begins at 4 p.m. Memorial Day. Parents may register children by calling the pool, TR 6-0882.

Also planned for the coming season are housewives' hour, adult and teenage nights and lifeguarding instruction.

### VFW Poppy Days Friday And Saturday

The annual Buddy Poppy sale of Veterans of Foreign Wars, Post 1300, is scheduled for tomorrow and Saturday. It is announced today by Dale Brackett and Mrs. Margaret Champion, co-chairmen. Approximately 7000 poppies made by hospitalized veterans will be handled by the local service club.

Members of the VFW auxiliary unit, assisted by the men's organization, will conduct the sale throughout the Quad-City area, the chairman report. The VFW benefit project, usually held in conjunction with the American Legion's poppy sale, is being held one week later this year, Brackett said.

In last weekend's American Legion sale, Tri-City Post 113 Auxiliary unit sold a total of 4500 poppies. It was announced by Mrs. Mildred Rees, chairman. About 1500 poppies were sold by the Venice-Madison American Legion Post 307 and auxiliary unit, according to Mrs. Joyce Austria, chairman. An additional 400 poppies will be utilized by Post 307 for various displays and in the Memorial Day services Sunday.

### Area Industrialists On Safety Program

Training and safety directors from nearly a score of major industries will participate in the program of the fifth annual Industrial Safety Conference at Southwestern Illinois University's Alton Center next Wednesday.

Robert Pence, training director of the Milwaukee works of the A. O. Smith Corp., will be among the speakers, and also Toth of the Granite City A. O. Smith plant, and Roscoe Turner of the Venice plant of the Union Electric will be on a panel taking part in a Foreman's Swap Shop discussion. A representative of the Granite City Army depot, not yet identified, will be among the chairmen to serve during the day's sessions.

Keynote for the conference will be George A. Chandler, director of brass manufacturing for Olin-Mathieson Chemical Corp. The conference will follow a theme of "Safety Through Good Management." The conference is co-sponsored by the university, the Madison County Safety Council and the St. Louis Chapter of the American Society of Safety Engineers in cooperation with the Quad-Cities Safety Council and the Safety Council of Greater St. Louis.

### SWIU Staffers, Employees Express Likes, Dislikes

Likes and dislikes of the Quad-Cities area by staff members and employees at the new Quad-Cities-Edwardsville campus of Southwestern Illinois University were listed in an "Impact of Expanded University Employment" report that is being made public.

The report, prepared by the Public Administration and Metropolitan Affairs program of the university, shows the Quad-City residents working at SWIU have a great liking for easy access to schools, churches and recreation areas and also like the nearness to their jobs and nearest to St. Louis.

They also expressed favorable comments on the people of the Quad-Cities and the size of the local community as well as easy access to shopping areas.

The greatest dislikes were air pollution with 71% of the employees living here expressing that thought. Fourteen per cent said they disliked the climate, the lack of culture and shade were listed in an "Impact of Expanded University Employment" report that is being made public.

The report predicted 2548 persons will be employed at the new campus when its enrollment reaches 18,000. In addition, the new employees are expected to create jobs for 1237 other persons outside the immediate university sphere.

The survey was taken among 644 present employees and showed the Edwardsville-Collinsville areas were favored for residence not only by present employees and staffers but also probably would be by the 1904 additional workers.

**PUBLIC NOTICE**  
 NORTH ENTRANCE TO SOUTHERN ILLINOIS UNIVERSITY (FAS 770) SOUTH ENTRANCE TO SOUTHERN ILLINOIS UNIVERSITY FEDERAL AID ROUTE 56 (MARKET ILLINOIS ROUTE 143) FEDERAL AID ROUTE 5 (FORMERLY HWY US ROUTE 66) MADISON COUNTY

All interested persons are advised that reconstruction of the north and south entrances roads to the Southern Illinois University, at Edwardsville, is being constructed by the Illinois Department of Public Works and Buildings, Division of Highways.

The work proposed for the North Entrance (FAS 770) will consist of the reconstruction of two at twenty-four foot pavements with a forty foot median generally along the existing alignment of Bohm Road from Illinois Route 143.

An interchange connection with FAS 770 will be constructed at a point approximately 700 feet east of the existing alignment of Bohm Road, near the intersection of Bohm Road and the proposed alignment of Bohm Road.

The work proposed for the South Entrance will consist of the reconstruction of two at twenty-four foot pavements with a forty foot median generally along the existing alignment of Bohm Road from Illinois Route 143.

An interchange connection with FAS 770 will be constructed at a point approximately 600 feet east of Bohm Road, near the intersection of Bohm Road and the proposed alignment of Bohm Road.

The proposed improvement is available for inspection at the office of the District Engineer, Division of Highways, in French Village, 9500 St. Clair Avenue, East St. Louis, Illinois.

Any interested citizen from the named community may request that a public hearing be held concerning the proposed improvement by delivering a written request to the District Engineer, Illinois Division of Highways, East St. Louis, Illinois, on or before the seventh (7th) day of June, 1965. In the event such a request is presented, a further notice of the time and place of the hearing will be published.

## Two-Hour Parking Zone At 27th-State Bus Stop

Establishment of a two-hour parking zone on the east side of the 2700 and 2800 blocks of State street was approved by Granite City council members Monday night, and under consideration is the removal of six parking meters on Edison Avenue along side the city hall to provide six parking places for city officials and city vehicles.

The State street zone was long debated before amended to exclude Saturdays, Sundays and holidays. The two-hour restriction will be between 10 a.m. and 4 p.m. and is aimed at persons parking all day on the east side of the street in front of homes, to ride buses to St. Louis. Parking will be permitted on the west side of the street along Wilson Park.

**Hazard at Intersection**  
 Alderman Robertson said the all-day parking was creating a hazard at the busy 27th and State street intersection.

The ordinance as presented called for the 10 a.m. to 4 p.m. restriction seven days a week, which brought out the long debate when several aldermen pointed out the weekend and holiday activities at the park.

Finally, with the approval of the amendment, Mayor Partney remarked to the council, "We're spending more time on a parking zone than we do on other city business." He had called for the ordinance to be written but then accepted the amendment for the ordinance.

**Parking at City Hall**  
 The expansion of city parking spaces at the city hall is to be submitted at the June 7 council meeting for approval. Mayor Partney recommended the removal of six parking meters on Edison Avenue along side the city hall at the rear of the city hall.

He pointed out the city now has seven police patrol cars and there is no longer sufficient space at the rear of the city hall building. The parking spaces there for the mayor, police chief, deputy sheriff car and a re-

## No Defrosting Ever with a modern Refrigerator-Freezer

What a welcome relief. Never again will you have to chip and coax off that cold and wet built-up frost. No more scrapers, sponges, or pans of hot water. No more newspaper blotters littering up your kitchen floor. No more puddles and spills to mop up. No more tedious waiting for the thaw. There never is any frost... none at all... and that even beats so-called "automatic defrosting!"

But there's more than that to the modern Refrigerator-Freezer. You have a super-market in your kitchen... a full stock of meats and foods to use when you need them. Meal-planning is easy. Budget-buying is practical.

Your lucky key will be included with your electric bill. How lucky is your key? It's easy to find out. Take your lucky key to any appliance store which displays the "NO DEFROSTING EVER" banner. If your key opens the lock on his special display—you win a VALUABLE PRIZE! Entry deadline: Noon on June 30th, 1965.

# Madison Spends \$855,859 To Run City for 1964-65

The city of Madison spent \$855,859 to operate the city for the 1964-65 fiscal year which ended April 30, according to the annual financial report prepared for the city council and public. Major items were purchased for the city's new industrial site for \$192,920, a \$97,304 sewer contract project and \$85,000 for motor fuel tax projects paid by the city's share of gasoline taxes. Costs were reduced by \$17,500 from the previous fiscal year, but income also dropped to \$773,323 from \$884,272 the previous year, due mostly to a reduction of Chain of Rocks bridge income from \$470,000 to \$332,920 in the special revenue fund.

**General Fund Receipts**  
Other general fund receipts included:  
Business licenses, \$519,757; fines, \$74,677; salary refunds (bridge), \$12,850; lease of land (bridge), \$24,888; city of Venice, (animal shelter), \$462; Madison school district (road oil and gravel), \$14,643; State of Illinois, Madison avenue maintenance, \$493; miscellaneous, \$433; health services, \$204; garbage disposal, \$1,536; building permits, \$995; dog licenses, \$539; retail liquor licenses, \$1,688; social security refunds, \$908; and municipal retirement funds, \$25,077.

The cash balance at the end of the fiscal year dropped from \$18,712 to \$9,668.

**Salaries**  
Salaries totaled \$188,158, including police department, \$76,381; fire department, \$12,830; streets and alleys, \$7,841; mayor, \$24,180; aldermen, \$2,347; city clerk, \$12,888; city attorney, \$5,123; health officers, \$14,225; humane officer, \$1,630; sewer department labor, \$4,630; planning inspector, \$8,677; city controller, \$5,471; city treasurer, \$1,064; custodian, \$4,838; building department, \$1,762; garbage collection labor, \$1,732; election judges, \$625; librarian, \$2,488; assistant librarians, \$1,762; auditor, \$7,200; library clerk, \$600; recreation supervisor, \$4,504; janitor, \$1,113; and \$4,043.

The library fund had receipts of \$13,636 and disbursements of \$11,414. The recreation fund, \$23,239 and \$18,943; corporate bond fund, \$17,732 and \$18,370; two percent fire insurance fund, \$2,041 and \$642; motor fuel tax fund, \$78,484 and \$85,000; playground and recreation fund, \$20,282 and \$24,727; and special revenue fund, \$338,712 and \$318,983.

**Fund Balances**  
The city had a balance of \$46,917 at the end of the fiscal year, compared to \$125,455 the previous year.

Balances include \$96,618 in the general fund, down \$9,044; \$7,657 in the library fund, up \$2,222; \$17,669 (plus an investment of \$20,000) in the recreation fund, up \$4,307; \$2,715 in the corporate bond fund, down \$606; \$2,529 in the two percent fire insurance fund, up \$1,399; \$21 in the motor fuel tax fund, down \$6,600; \$2,522 in the recreation fund, down \$1,534; and \$24,727 in the special revenue fund, down \$18,522; and \$31 in the special improvement fund, same.

## Deadline May 31 for '64 Corn Price Support

The Agriculture Stabilization and Conservation Service county office is reminding farmers that the deadline for filing applications for price support for 1964 corn is May 31. The deadline is for filing applications for price support for 1964 corn. An approved application entitles a producer to receive price support through loans or purchases of the commodity by the Commodity Credit Corporation (CCC).

Chairman Walter Bardsley of the Madison ASC county committee said that corn applications may be made until May 31. The ASC official said some producers have made applications, and have paid the \$3 apportion fee.

## Public Urged to Help Curb Holiday Toll

Granite City Mayor Donald Partney issued a special plea today for public support in an effort to curb the usual surge of traffic injuries and fatalities during the Memorial Day holiday, while Illinois State and Quad City police officials prepared to handle the unusually heavy traffic load over the three-day holiday period.

National Safety Council officials already have estimated that 510 persons will be in traffic accidents over the Memorial Day observance, one of the largest estimates on record due to the duration of the holiday. State police are making special plans to patrol highways and have cancelled all "days off" for the period.

Although the "Red Alert" period is scheduled to start at 6 p.m. today, Capt. Emil Toffani, head of the District 11 state police force, said he is planning to place special patrols on the highways at 4 p.m. in an effort to get the "jump" on the heavy traffic load. He said every man on duty, including special investigators of the secretary of state's office, will be on duty during the holiday period, with the possible exception of the "in between" period on Sunday.

**Heaviest Traffic Loads**  
Capt. Toffani said the heaviest traffic load and the largest number of accidents customarily develops during the "going" period at the end of a holiday when travelers are in a hurry to reach their destination, and during the return period on the last day of the holiday when they are equally in a hurry to get home.

The "Red Alert" period, during which Illinois State police will operate radio-equipped airplanes along highway lanes to report traffic congestion and violators to ground crews, will extend from 6 p.m. Friday through midnight Monday. Local police forces also will observe the Red Alert conditions with full crews on patrol duty.

In a letter calling for cooperation in cutting the accident toll, Mayor Partney also called for a continuous public support of such a program—not only on a holiday, but every day.

**Mayor Partney's Appeal**  
"Beginning Memorial Day, this nation will enter the most hazardous driving period of a year that already is breaking all records for traffic fatalities. More Americans will drive to their deaths this summer than in any three-month period in the entire history of the organized safety movement."

"Regardless of how we compare with last year, the traffic accident situation remains a cancerous threat to our society that must be met with action. This involves enforcement and public support. Our police department has been given enforcement orders with emphasis to encourage citizen support and alertness that will help tremendously."

"We hope to develop a sustained educational program on traffic. Such a plan of action will soon be reflected on the streets of our community. Any rush and suffering will not be stamped out overnight, but at least we will have the satisfaction of knowing that we played a part in minimizing it."

## Council Battles, But Ok's Personnel Committee Ordinance

Approval of an ordinance setting forth the duties of the revised Personnel committee of the Granite City council was approved Monday night, but not until after a long debate and an unanimous vote to override an out-of-order ruling by Mayor Partney on an amendment motion.

The amendment, to exclude the street department job applicants from interviews, then was defeated by a vote of 5-to-11, and the ordinance was approved by a vote of 11-to-5.

The ordinance had been placed on first reading last week and was opposed at that time. Leading the opposition was Alderman Nunn, who said the council had given authority to the street superintendent several years ago to hire his men. Nunn said he did not believe the Personnel committee should be involved. He proposed the amendment to exclude the street department.

However, when he submitted the amendment, Mayor Partney ruled it out-of-order. Nunn protested and appealed to the council. He said the Personnel committee need not be involved and might cause a conflict, since any new street department employees are sent to the department by the Laborers Union, and the street superintendent has a right to reject the men sent to him.

Attorney Opinion Disputed  
When called upon for an opinion on the mayor's ruling, City Attorney Allen said the amendment would have been presented last week when the ordinance went in first reading. Council members disputed the opinion.

They pointed out that always in the past amendments had been acceptable until the final vote on an ordinance.

Mayor Partney in urging passage of the ordinance said council members the city had been a dumping ground for poor labor in the past. He added that the amendment would take away the power and authority of the committee.

After the unanimous vote to override the out-of-order ruling, the debate continued. Sternberg pointed out the committee would conduct interviews with city job applicants and would submit recommendations to the council.

Under the ordinance, the Personnel committee is to set up complete personnel records for each city employee. It will interview all applicants for city jobs and submit recommendations to the council and heads of departments. However, it will not have authority over police and fire department jobs, which are handled by the Board of Fire and Police Commissioners, or mayor appointees.

The committee, which is headed by Alderman Thompson, also has the responsibility for negotiations of wage schedules and employment contracts in co-operation with the Finance committee and the committee in charge of a particular department.

Another responsibility will be to publish a "City Employees Manual" to include city policies, appointments, probationary periods, promotions, dismissals, layoffs, discipline, hours of work, pay standards for overtime, vacations, sick leaves, training programs, political activities by employees and grievance procedures.

A letter of congratulations was sent to C. S. Kirchner, administrator of the Fairfield Hospital by Sister M. Frances, chief accountant for St. Elizabeth Hospital here and president of the southern Illinois chapter of the AHA.

Sister Frances said: "This is to congratulate you on the fact that Carroll Bright, your controller, has been elected to serve on the board of directors for two years of the Southern Illinois Chapter of the American Association of Hospital Accountants at our recent meeting.

"This is a great honor, indeed, for your hospital and I know that Mr. Bright will prove a very great asset to all of us."

## Carroll Bright Named To Board of AHA

Carroll Bright, former Granite City and controller for the Fairfield Memorial Hospital at Fairfield, Ill., has been named to a two-year term as a director for the southern Illinois chapter of the American Association of Hospital Accountants.

Bright was city controller for Granite City for a number of years and was a leader in returning the city to solvency after the depression in the early 1930s.

County Mental Health Election Here Tuesday

Dr. Mortimer Brown of Chicago, assistant to the director of the Illinois Department of Mental Health, will address the fifth annual election dinner meeting of the Madison County Mental Health Society to be held at 6:30 p.m. Tuesday in the YMCA.

Tomorrow is the final date for dinner reservations. It is announced by Mrs. Robert Chapman, annual meeting chairman. Tickets may be obtained at the Mental Health Clinic, 1245 N. Dearborn avenue.

Henry D. Karandjeff, county chairman, will preside and an election of officers is planned. The local clinic began operations in 1960, preceded by a counseling facility in Alton, established one year earlier.
